spa etiquette and policies

BOOKING AND CANCELLATION POLICY

Once your appointment has been confirmed you assume responsibility for your booking and accept the following terms and conditions:

Should you need to change or cancel your appointment, a minimum of 1 business days notice is requested and appreciated or your booking fee will be forfeited.

A 50% non refundable booking fee applies, this can be transferred to a new booking should you give adequate notice or else forfeited and charged. Fees also apply for no shows. All terms apply for Voucher bookings.

I understand these treatments can be a luxury & may no longer fit your budget. If you cancel without adequate notice I cannot fill your booking or offer it to waiting clients.

Changes on the day of your booking can't always be accommodated. Your booking is transferable to a friend or family member should you not be able to give notice as per this policy

To allow you to fully relax and enjoy your treatment, and for safety, do not bring children with you to your appointment. Mobile phones are to be silenced and for hygiene not touched while in clinic

HEALTH AND WELLBEING POLICY

We are fully compliant with the current QLD government directives. A link to the guidelines will be included in your booking confirmation. A health declaration is required.

Platinum 1hr 45min \$180

Our most luxurious spa facial. Powerful serums infused after a light chemical or enzyme peel, LED, Facial massage, then enjoy your alginate mask setting with a relaxation journey with calming music and headphones. Results targeting: regeneration, firming, brightening & radiance .

Add a back massage to any facial for \$40 OR enjoy your facial in a Sanctuary Pamper Package

MICROCURRENT FACIALS

Dermal Lift 1.5hr \$160 Express Lift 1hr \$95

Dermal lift Treatments can reduce wrinkles, improve the overall shape of the face, improve the appearance of scar tissue. Designed to re-educate facial muscles. This treatment combines advanced technologies of: skin peel, LED, serum infusion & microcurrent. More than a facial this non-surgical face-lift will give targeted solutions for the ultimate in Age delay.

mesoestetic® 1.5hr from \$170-200

Luxury European facials by Mesoestetic. Consisting of 4 protocols to prevent and correct all stages of the ageing process with complementing homecare solutions for early ageing 25 to 60's+ Includes exfoliation, LED, serum infusion massage and nano fiber mask.

Microcurrent is used in 3 out of the 4 facial protocols

targeted skin solutions

Skin Fitness Facial 1.5hr \$145

Are you new to The Skin Sanctuary? would you like to get serious about transforming your skin? A must before undertaking any acne & clinical treatments. includes skin consultation, customised facial and a take home trial pack of suitable home care.

Lymphatic Facial 1hr \$110

Gives a Red Carpet Ready "GLOW". This holistic treatment assists with activating the exchange of toxins via lymph and giving fresh oxygenated blood, increasing nutrients for a total skin reboot at a cellular level.

Suitable with all skin types: male skin, dull skin, smokers, acne skins. Safe for Roaccutane users, pregnant/nursing mums. Grooms & Brides to be.

Hydra-calm Facial. 1hr \$120

Suitable for all stressed, irritated, dry, reddened and Rosacea skins. Using enzymes to refine, LED light to calm, concentrated ampoule infusion to treat, and mask therapy to nourish, boosting your skins defences and barrier repair.

(with alginate mask upgrade +\$15)

Skin Detox Facial. 1 to 1.5hrs from \$95

A combination of medi-facials, Peels and LED To manage and improve problem skins, utilising combined techniques to purify, decongest & heal clogged, inflamed and acne skins.

lashes + brows

clinical skin treatments

Full consultation is required prior to commencement of a clinical skin treatment. Please book a skin fitness facial prior.

Skin needling/mesotherapy from \$150

LED+ needling + nano fiber mask

Using the original device by Dermapen. This clinical treatment goes further than a facial. Designed to trigger your own collagen synthesis, giving a wound healing response, resulting in new healthy collagen formation, giving a tighter lifted appearance, also aids rejuvenation of acne scars. As needling helps with the absorption of active ingredients, ask for the optional booster serum infusion upgrade (Mesotherapy).

Chemical skin peels from \$95

To treat all stages of skin ageing, sun damage, pigmentation, problem & congested skins. Ideal complimentary treatment to alternate with dermal needling/meso therapy to get results without the downtime of laser & cosmetic medicine. Your therapist will guide you on a peel programme with prep, & homecare to reach your skin goals.

cosmelan® De-pigmentation

Number 1 worldwide pigmentation treatment. Treats hyperpigmentation and melanin disorders, in all skin types and ethnicities. This dual phase treatment consists of an in-clinic mask application to target and remove pigments of melanic origin, such as freckles, sun-ageing, melasma & post inflammatory hyperpigmentation. The second phase regulates and impedes the reoccurrence of pigment with the use of included home-care. Downtime is expected.

Level 1 treatment programme : \$1250.00
includes : consultation appointment, mask application and 7 homecare products. (valued at over \$800)

Level 2 treatment programme : \$1450.00
(Total value over \$1600.00)
includes additional clinic visits on days 3, 10 and at one month a mesoestetic advanced regenerative facial.
