Registration Fee

There is a ten dollar annual non-refundable registration fee required per student due at the time of registration.

Payment of Tuition

You may pay tuition in full upon registration and receive a ten dollar discount, or choose the monthly payment option. If a student takes more than one class, a 5% discount will be applied to the second, third, OR fourth class taken. For example, if a student takes Intermediate Lyrical (60 min class) and Intermediate Ballet (75 min class), the 75 minute class will be charged at the full normal rate and the 60 minute class would be discounted by 5%. This multiple class discount also applies to classes taken by siblings. Tuition payments are due on the first day of each month. If payment is not received by the fifth day of the month, a ten dollar late fee will be added to your account. Sign in information for Jackrabbit will be provided to you. We encourage you to use Jackrabbit, as it allows you to access the details of your account balance at your convenience. You may choose to pay by check, cash, or credit card (only via Square with Cheyenne Bull in the studio). Please make certain the student's name and description of payment is noted on your check. Then please put your check/cash in an envelope with a name and a description written on the front. Finally, drop it in the payment box located in the studio office. Payments may NOT be dropped off at Cheyenne Bull's house, as we cannot ensure that your payment will not be lost or stolen. If your check is returned for insufficient funds, your account will be charged a thirty five dollar fee. Also, please note that monthly tuition remains the same, regardless of absences or the number of weeks in a month. Tuition is both non-refundable and non-transferrable.

Payment for Private Lessons

Private lessons are \$30 per hour. They must be scheduled in advance with Cheyenne Bull. If you cannot show up for your private lesson, you must notify either Cheyenne Bull or that specific instructor AT LEAST 24 hours before your lesson. If you show up more than 15 minutes late for a private lesson, the lesson will be cancelled and the \$30 fee will still be charged to your account.

Class Changes

If you wish to drop or add a class, you must request and fill out a drop/add form. You also need to consult with the instructor and Cheyenne Bull in order to make the change; a repeated absence from class does NOT constitute a withdrawal from class. Your account will continue to be charged for tuition until the drop/add form has been completed and accepted.

Attendance

Good attendance is extremely important as absences and tardiness can hold back an entire class. Students should be on time and prepared for class, meaning hair, shoes, and appropriate clothing as required for each class. If your student must be absent, please inform the instructor or Cheyenne Bull prior to class by either text or email. If a student misses four classes in any eight week period, a private lesson(s) must be taken in order to get the student up to speed. This is necessary to ensure that your child and the whole class will be successful in learning their dances.

Dress Code

Students are to arrive with appropriate dance attire and their hair pulled back. It is imperative that dancers be able to move freely without inhibition and that teachers are able to clearly see the line of the body in order to properly assess both alignment and posture. Students may NOT wear the following items: jeans, short shorts, baggy sweatpants, pajamas, or big/distracting jewelry (no dangling earrings, bracelets, or necklaces). If a student arrives without proper attire, s/he may be asked to sit out of class.

Behavior

Students are expected to respect their fellow students, instructors, and surroundings. Rude comments, offensive physical contact with others, poor attitude or disruptive behavior may require the instructor to dismiss a student from class. The student's parent or guardian will then be contacted, notified of such behavior, and asked to come pick the student up. Only one such warning will be given; any subsequent unacceptable behavior will result in permanent removal from class. Parents/guardians are also expected to be respectful to instructors, students, and any other parents or visitors that may be in the studio. Platinum Dance Studio expressly reserves the right to dismiss or refuse classes to anyone who does not comply with these rules, or who otherwise, in our judgment disrupts the harmony and reputation of the studio. Should a parent have a complaint or issue it should be communicated directly to the studio owner, Cheyenne Bull.

We ask that any parents/guardians, siblings, and other visitors in the lobby not distract students while they are in class. This includes waving to them, tapping on the glass, and being loud and/or distracting. If you have a younger child waiting with you, please keep him/her quiet out of respect for our dancers and instructors. Thank you!

Drop-off/ Pick-up

The door to the studio that faces US-2 would logically be our front door – but that door opens directly into our dance studio where classes are held. As we cannot have any street shoes on our brand new studio floor, nor can classes be interrupted by students entering or leaving. Students must enter and exit the studio via our back door. That door brings you into our lobby/office/studio waiting room. Students should arrive no more than 15 minutes early for class, dressed, and ready to dance.

Students must be picked up within 10 minutes of the end of their class. We are not equipped to watch children after this period of time, as another class will be beginning. Please make arrangements to ensure that your child is picked up on time. Should late pickups become a recurring issue, you will be charged \$1 a minute after 10 minutes. That will add up fast so be sure to pick your child up on time. Thank you!

Bad Weather/Holidays

Classes will be cancelled if Bessemer schools cancel classes due to inclement weather. We will post the cancellation on Facebook, as well as send out an email notification. The studio will also follow the holiday schedule of Bessemer schools.

Performances

Each class will learn two dances throughout the year and will perform them in an end of year recital. Students are encouraged to take part in this recital, but are not required to participate. If a student does not want to participate in the recital, please let the instructor or Cheyenne Bull know as soon as possible as choreography taught during the year must be adjusted to compensate for the loss of the student. Students may also be asked to perform with their class at various outside performances during the year, such as the Jack Frost Parade, nursing home performances and various other community events. Students are not required to participate in these extra events, but are encouraged to, as the students have fun and give back to the community.

Competitions

This information applies to classes other than senior-level classes, as they are considered competition classes and are expected to compete. Specific competition-related information will be provided to them separately.

The following applies to all classes other than Senior-level classes:

If an instructor deems a class ready to perform in a competition, the instructor will discuss the competition with the students and ask how many of them would like to compete. If there is an overall positive response, the instructor will then communicate with the parents/guardians to ask if they will allow their student to compete, review details such as the date, location, cost, and answer any other questions. The instructor and Cheyenne Bull will then decide if there are enough students willing and able to compete. Specific competition-related information will be communicated to parents/guardians for each competition to ensure that all necessary information is clear.

Costumes

Each class, as a group, will choose one costume to use for their performances for the year. The instructor will present multiple costume choices to the students, who will then vote on their favorite. Parents/guardians will be notified of the students' top two choices, the prices, and asked for their opinion and approval to order the chosen costume. Cheyenne Bull will measure each student in order to choose a costume size. Prior to ordering, you will be informed of the costume size based on the measurements taken and costume price, for your final approval. It is important that we order the correct size in order to minimize returns, and sizes may become limited or unavailable. Costume payment will be due in full by December 1; if payment is not received by that date the costume will not be ordered. If a student does not have a costume, they will not be allowed to participate in any group performances, including recital. If a costume is ordered late, between December 2 and January 15, there will be a minimum twenty dollar fee to cover any necessary expedited shipping costs, assuming the costume is still available.

Dance Floor/Studio

Please note that NO food or drinks will be allowed on the studio dance floor, with the exception of bottled water. Remember NO street shoes are allowed on the studio dance floor.

Students are expected to clean up after themselves and not leave food, water bottles, wrappers etc. in the dressing area, lobby, or studio. Please use the garbage cans provided and help us keep our studio clean. Thank you!

Please do not leave personal items at the studio, as we are not responsible for any lost or stolen items.

Also, please note that no parents or friends are allowed in class except on designated viewing days, or on a specified day when dancers may bring a friend.

Insurance

Platinum Dance Studio does not have medical insurance for students, thus all students must be covered by their own family policy. If a student is injured it is understood that the student's own policy is the only source of medical reimbursement.
