

Thrive Collective Services

CPST Transition Support

Providing licensed clinical guidance for Virginia providers transitioning from MHSS to CPST

What I support

- Readiness assessment & gap analysis
- Documentation & compliance support
- Clinical model & workflow redesign
- Staff training (CPST skills sets)
- Implementation coaching
- Quality assurance tools and sustainability planning

How it works

1. Discovery call to clarify needs
2. Transition roadmap & priorities
3. Training & technical assistance sessions
4. Templates, checklist, and feedback
5. Ongoing support (as needed)
