SHARED OWNERSHIP

helping you get on the property ladder

ABOUT FAIRSHARE

Simple and straightforward - from online application to completion

What is FairShare?

FairShare is a shared ownership scheme for Northern Ireland. It enables a registered housing association to help eligible homebuyers get on the property ladder through shared ownership.

Housing associations offering shared ownership through FairShare are registered and approved by the Department for Communities.

How can FairShare help me?

If you are unable to obtain a mortgage to buy a property outright, or have difficulty saving for a large deposit, FairShare could help you take the first step into home ownership in a way that you can afford.

FairShare could help you by enabling you to purchase a starter share of a property between 50 and 90%. And you have the option to buy more shares in your home at any time (known as staircasing).

In a shared ownership agreement you are required to pay rent on the share of the property that you don't purchase. FairShare will help you adjust to the demands of home ownership by ensuring that you pay lower-than-market rent for the duration of your FairShare shared ownership.

At FairShare, we help make the process of applying for shared ownership simple and straight forward: you can do the whole application online at fairshare.org.uk and of course there are no application fees.

KEY FEATURES

Homebuyers purchasing through FairShare Can:

- buy a starter share of a property that they can afford - between 50% and 90%
- pay lower-than-market rent on any share not purchased
- buy further shares of their home at any time - known as staircasing. See 'Guide to Staircasing' on our website at fairshare.org.uk.

KEY ELIGIBILITY CRITERIA

The key FairShare eligibility criteria require that homebuyers:

- do not currently own a home, or a share of a property, in the UK or abroad
- must be unable to buy a 100% share of a home suited to their needs, or rent appropriate accommodation within a reasonable distance of their work
- can afford to buy a minimum 50% share in a property and pay rent on the remaining share

For a full list of eligibility criteria please see "Who is Eligible" on our website a fairshare.org.uk.
