

## The Department for Communities, Building Successful Communities (BSC) Programme is Seeking Your Feedback

Are you a resident of a pilot area, a member of a BSC Regeneration Forum or Steering Group, a community group, a political representative, a member of the public, or someone representing a statutory body? If so, BSC would like to hear from you.

As part of a review of the Programme we have compiled a short survey to get your feedback.

The survey runs between 8 January and 4 February so please complete it if you would like your views to be heard.

Your views will help us to review the impact of the BSC Programme on the 6 pilot areas and to inform future housing-led regeneration policy.

**It should take no longer than 10–15 minutes to complete and your answers will be kept confidential. Thank you.**
