

Leaf.AGI User Agreement

Last updated: February 2026 (previous update: September 2025)

Welcome to Leaf.AGI – a compliance-and-signal platform that includes the Recall Engine, which helps users track cannabis product recalls and safety alerts.

By using Leaf.AGI (free or paid access), you agree to the following terms:

1. Personal Use Only

Leaf.AGI subscriptions are licensed to individual users or businesses for internal use only. You may not share, resell, or redistribute access to other businesses, third parties, or external users without explicit permission.

2. Single Seat Access

Your subscription grants access to one active device at a time. If multiple users at a business need access, additional seats or licenses must be purchased. If shared logins are detected, Leaf.AGI reserves the right to revoke access without refund.

3. Data Privacy

Leaf.AGI does not share, sell, or distribute your business data, usage logs, or insights with any third parties. All data processing is handled securely and used only to improve user experience within Leaf.AGI.

4. Subscription Terms

Your subscription begins upon successful payment via Stripe and will renew automatically each billing cycle unless canceled.

5. Refund Policy

All sales are final. Refunds will not be issued for unused time, device limitations, or misunderstanding of features.

6. Support & Contact
