

THE HANGAR ONE INVITATIONAL  
2023

The Glen Club is situated on the site of the former Glenview Naval Air Station.

The United States Naval Reserve Aviation Base, **Great Lakes**, Illinois, was commissioned in 1923. Originally named **Curtiss** Field when it opened in 1929, the base operated a number of seaplanes from the shore facilities of nearby Lake Michigan. With the outbreak of World War II, the field became a focal point for the Navy's developing flight training program and the base was expanded through acquisitions that included the 36-hole **Pickwick** Golf Course.

During World War II, the Naval Air Station was the largest primary training facility for the U.S. **Navy** with nearly 9,000 **Aviator** cadets receiving their basic training here, including former President George H.W. **Bush**. While training during World War II, cadets flew from this site to practice landing on the decks of the USS **Sable** and USS **Wolverine**.

The **Avenger** was one type of aircraft flown during that time. Personnel from the Base were again called into action during a search and rescue mission for the F/V **Searcher** when the vessel went down in Lake Michigan in 1985.

Hangar One was the center of base activities and named to the National Register of Historic Places in 1998. The **Tower** connected to Hangar One still stands directly east of The Glen Club as an anchor to The Glen Town Center. The Hangar One Invitational honors the memory of the Glenview Naval Air Station and the men and women who served during its operation. The names of our flights of competition this weekend also serve to remember these important names.

**THE HANGAR ONE INVITATIONAL

## **Competition Information**

### **Format**

Play for the Hangar One Invitational will be Four-Ball Match Play, in which two play their better ball against the better ball of two other players. All USGA rules are in effect, plus any local rules as listed below.

The field will be divided into flights as determined by total index of the Member and Guest. Points will be awarded by the net better ball of the partners. Nine points will be available for each match and will be awarded as follows:

- 1 point for winning a hole
- 1/2 point for tying a hole

Matches should be played in their entirety as points are awarded on a per hole basis. If an opponent is not available for any match, the remaining team will compete against par at 100% of course handicap. Thus, net birdie earns 1-point, net par earns 1/2 point, net bogey earns 0 points.

### **Flight Champions**

Flight Champions will be determined by the combined points won during all five matches. Ties for Flight Winners will be broken by the head-to-head match played during the competition. In case the said match ended in a tie or multiple teams are tied, a chip-off will be held to determine the Flight Champion.

### **Handicaps**

Players will play at 80% of their handicaps as of June 20th. Play will be off the low handicap player of the foursome with the other players receiving the difference of the strokes as they fall on the card. Handicap strokes will be marked on each match scorecard.

## **Tees**

- Flights 1 through 6 will play the Blue Tees.
- Flights 7 and 8 will play the Silver/Blue Tees.
- Flights 9 and 10 will play the Silver Tees.
- Players in any flight may move back to a longer set of tees (please let the professional staff know in advance so that a handicap adjustment can be made).
- Players over 65 years of age in any flight may elect to play a shorter set of tees (please let the professional staff know in advance so that a handicap adjustment can be made).
- Stay on the same 9 holes for a match. If you start on hole #3, once you complete hole #9 please go to #1 to complete the last two holes of the match.

## **Rules**

- USGA rules are in effect.
- Players are allowed to use the drop zone on #11 if they find the hazard on the left.
- *Players are reminded that the 14 club rule is in effect and the high fescue grass will be played as a red penalty area.*

## **The Hangar One Dog Fight**

The Dog Fight will include the 10 flight winners and one wildcard team and will be contested at alternate shot on holes #17 and #18. Players will play #17 first teeing off from three different tee boxes based on team handicap. Any hole-in-one will win the Hangar One Invitational. Teams scoring par or better will move on to hole #18. If any team has the lowest score on #18 they will win the Hangar One. Low score and ties will play #18 for a second time. If there is still a tie the dogfight will go to a shootout as a tiebreaker, which will consist of a 115 to 150 yard shot depending on the player's handicap. The closest shot will win the Dog Fight.

*The Format and Rules of Competition are subject to change at the discretion of the Committee. Any changes made will be announced prior to play. Any rules disputes will be settled by the Committee.*
