JUNE/JULY NEWSLETTER

JUNE CONTEST:

In spite of an unscheduled ride through the gravel pit on a 'Mud bug' your Prez must classify our June contest a complete success. We seem to be in the proper weather cycle this year and the skies remained beautiful for the event, we had a great bunch of people, and everything went without any serious complications.

The winners were:

Sportsman

1. John House - N.J.
2. Neal Frangesh - Chapt. 35
3. Bob Casian - Chapt. 35

Intermediate

1. Ron Siwik - Sagina, Mich.
2. Jim Stanton - Chapt. 35
3. Pete Burrill - Chapt. 35

CONGRATULATIONS TO ALL!!!!

My personal thanks to everyone who helped at the contest - without everyone pitching in like you all did this type of activity would be impossible to have.

SEPTEMBER JUDGES SCHOOL?

Some interest has been expressed for having a local judges school. Your club officers are contemplating holding a judges school on some Saturday in September followed by an evening cookout and 1978 Chapter (non-sanctioned) Contest or fly-off on Sunday. How about that? Let me know your ideas or thoughts on it.

JULY MEETING:

Let's gather once again at Silver Ranch Airport on Saturday, July 22, 1978, at 10:00 A.M. ----See you all there.

THE PREZ HAS MOVED:
