

NEW ENGLAND AEROBATIC CLUB - CHAPTER 35

JANUARY NEWSLETTER - 1983

Chapter 35's January meeting did away with all of our bad weather for the year. The meeting was held on the 16th at Jaffrey. In attendance was Val Beaudrault, Priscilla Beaudrault and Ward Bryant along with about a foot or so of snow.

We discussed the upcoming February dinner and the March meeting. Tell all of your friends on the edges of flying about our March meeting. Anybody that would like to know more about basic aerobatics and competition flying should be sure to attend. We hope to have a good program covering all you would like to know about aerobatics and competition flying with the IAC presented by Ward Bryant and Dennis Sawyer.

The February Dinner will be held at the Horace Greeley Restaurant in Amherst, N.H., same place as last year.

The menu will be Fresh Fruit Cup with Sherbert, Baked Stuffed Potato, Vegetable, Tossed Salad, Coffee, Tea, or Milk with that Delicious Ice Cream Pie for dessert. The main entree is a choice of Baked Stuffed Shrimp or Sirloin Steak. Since the treasury is solvent, \$1313.82 as of 1/10/83, we aren't going to raise prices at all this year but will hold the line at \$15.00 per person or \$30.00 per couple. Smoke oil hour begins at 7:00 PM with dinner at 8:00 PM, followed by Ward's Awards.

DATE - SATURDAY, FEBRUARY 12, 1983

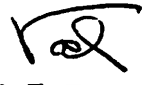

For a recap - PLACE - HORACE GREELEY RESTAURANT  
Rte. 101 Amherst, N.H.

TIME - SMOKE OIL 7:00 PM with Hors d'oeuvres  
DINNER - 8:00 PM

PROGRAM - WARD'S AWARDS -  
and more Smoke Oil

Please call me at 603-673-2971 if you have any questions.

Tear off the bottom of the page please - fill it out and return it to me by noon on the 7th of February along with your check. For those staying overnight, there is a Hilton in Merrimack and a HO-JO and Holiday Inn as well as a Sheraton Tara in Nashua.

Tear off and mail NOW. Must be received by NOON- FEB. 7, 1983.

January 27, 1983

Gentlemen:

On the 19th of March, the New England Aerobic Club, Chapter 35 of the International Aerobic Club, will host a program at Jaffrey, N.H. for any and all people that have an interest, on any level, in Aerobatics.

This will cover getting started in Aerobatics, Aerobatics on a competition level with IAC and moving up through the different categories of competition. These subjects and any others that are related that the attendees have an interest in will be covered by Ward Bryant, V.P. of Chapter 35 and Dennis Sawyer, Chapter Designee of Chapter 35. Ward is a long time competitor in IAC and Dennis was the 1981 National Advanced Champion of IAC.

If you would publish this in your newsletter or bring it up at your next meeting, I would appreciate it very much. If you know of a group of people from your Chapter that are planning to attend, I would also appreciate it if you could let me know how many are in the group coming to it.

Thanks.

Val Beaudrault, President  
New England Aerobic Club  
Chapter 35 IAC

NEW ENGLAND AEROBATIC CLUB - CHAPTER 35  
MARCH NEWSLETTER - 1983

Our February Dinner has come and gone and I think we had a terrific turnout. The weather wasn't good at all and all but 3 people with reservations managed to make it. We had an extra one show up with no reservations so we only lost 2 for a total of 48 people.

Ward's Awards went over with their usual hilarious results and we all had a good laugh. Seven of us went for brunch on Sunday, so we could talk about the rest of you, and had a great time.

The 1983 Nationals will be held at Falcon Field in Mesa, Arizona on October 3-7 and the 1984 team will be chosen there.

The 1983 Revision #1 to the Rule Book is ready. Send \$3.00 to IAC P.O. Box 229, Hales Corners, Wi. 53130 for a copy. Later in the year, Revision #2 will be published to include the latest CIVIA rules.

If you haven't sent in your Home Study Course to complete your Judges Program, the 1982 course is still acceptable until the 1983 course is published.

At the dinner, for those not there, I announced that I am running for the IAC Board of Directors. I would appreciate your support and vote when the time comes. Please pass this along to all of your IAC friends.

We are still solvent after the dinner. We only lost a very few dollars on the whole affair. We also collected dues from several people so came out ahead with the added dues.

The March meeting will be held at Silver Ranch Airpark, Jaffrey, N.H. on March 19th at 10:30 AM.

This is the program you asked for with every EAA Chapter in New England invited. It will be presented by Ward Bryant and Dennis Sawyer and will include all you ever wanted to know about Aerobatics.

We have 41 dues paid members so far this year. If you haven't paid up yet (only \$5.00), please get your money in either at the March meeting or mail it to Bill or Judy Fletcher at 67 Dublin Ave., Nashua, N.H. 03063.

Still no notification of our acceptance for the contest dates.

See you March 19th at Silver Ranch Airpark, Jaffrey, N.H. - 10:30 AM.

Val

NEW ENGLAND AEROBATIC CLUB - CHAPTER 35

APRIL NEWSLETTER - 1983

Chapter 35 is batting 1000 so far for 1983. We have had 3 meetings this year and the weather has been atrocious for all three. In spite of the weather, 21 members and guests arrived at Silver Ranch Airpark in Jaffrey last month. I was very happy to see as many people drive in but a little disappointed that more non members didn't show up. I had written a letter to each and every EAA Chapter in New England (24 in all) inviting them to the meeting. We still had a good meeting with Ward and Dennis presenting the program on competition aerobatics and contest details. We will enlarge on this subject more as the year progresses if we have (ha ha) anymore bad weather days.

Chapter 56 Mass Aerobatic Club's Annual Dinner has been changed one week to April 9th. Contact Neal Frangesh if you plan to attend. (Soon)

Our Annual Contest is set up for June 3-4-5 of 1983. We still don't have the Contest Packet or the Official Sanction but plan on those dates anyway.

Chapter 52's Contest at Orange County Airport, Montgomery, N.Y. is set for May 13-15, 1983. For further info contact Montaine Mallet at 914-462-5009.

Our next meeting will be on a Saturday again, April 16 at 10:00 AM at Silver Ranch Airpark, Jaffrey, N.H.. Hopefully, we will fly. Any of you that need a low altitude waiver for your competition or business should be able to fly for same on that day also. We plan, at this moment, to have the F.A.A. available for issuing same. Only Advanced and Unlimited need one for competition.

Any of you newcomers to the chapter that would like to fly for Achievement Awards - come to any of our flying sessions and we'll be glad to grade you for one. Don't be embarrassed, we all started on the same level. All it takes is practice - and money!!

Question of the month for would be Judges and Intermediate Pilots. Maneuver #9 - 1983 Sequence --- Is the  $\frac{1}{4}$  roll up or down and if it is - how do you know?

Next meeting ---- April 16th - 10:00 AM - Jaffrey, N.H.

Contest ----- June 3-4-5, 1983 - Jaffrey, N.H.

Chapter 52's Contest ----- May 13-15, 1983 - Montgomery, N.Y.

NEW ENGLAND AEROBATIC CLUB - CHAPTER 35  
MAY NEWSLETTER - 1983

On April 23, Chapter 35 made it 100% for the year with another lousy day for our meeting. In spite of the weather, we had people drive in from quite a distance for the meeting. Maybe our luck will change as we had 13 people attend.

The morning was taken up by reviewing news from headquarters and newsletters from other chapters. This was followed by a discussion of our upcoming contest. We adjourned for lunch and came back to some hangar flying and other tall tails.

We will be having only one more meeting before our contest. This will be on Sunday, May 22 at 9:30 AM at Silver Ranch Airpark. For those who can't attend that meeting, please don't forget that it's a chapter effort for the contest and takes alot of people to operate. Enclosed with this newsletter is the Contest Info Sheet. More are available if you know someone who needs one.

I attended the Mass Clubs Annual Dinner and had a good time. They did a great job on carrying on Chapter 35's Ward's Awards and many laughs were enjoyed.

We finally have a member from Vermont again. Jim Beams and his wife drove down from Richmond, Vt. for the meeting and joined the club.

For those of you planning to fly in our contest or at Orange County, don't forget that the Free Style has been changed and insurance limits have been upped.

If any of you out there have any program you want presented at a meeting or know of a program available, drop me or Ward a line or give us a call. The well is beginning to run dry.

NEW ENGLAND AEROBATIC CLUB - CHAPTER 35  
JUNE NEWSLETTER - 1983

It's very hard for me to write this newsletter with the news of another rained out contest. All of the behind scenes work has gone down the tubes again. In spite of it all, a lot of people showed up for the Friday night cookout and the Saturday night buffet at the Barn. Everyone seemed to enjoy themselves and I know they all had plenty to eat.

Once more Nora and I would like to thank the chapter gals for their effort in bringing so much food and I would like to thank Nora for her planning and food. It was great!!

Everybody was very cooperative this year and helped out on the many jobs that make up a contest, even a rained out one. I think you all did a great job.

Now for some good news. If we can transfer the insurance, as we did last year without more cost, we got out of the contest whole. We didn't loose anything. All of the copying was donated and Chapter 52 gave me all of their leftover paper work. This along with the donated food keeps us solvent.

After a 6 pack or 2 apiece, Ward and I decided to try again and we are applying for Sept. 30th - Oct. 1 & 2 as the dates. We'll keep you informed when it is confirmed. That is if it is before Sept. 30th.

It was very encouraging for a "grass roots advocate" to see that we would have had 4 first time competitors if the contest had been flown and rumors of a 5th one if he could get there.

We signed up 1 new member for EAA and IAC plus 5 new Chapter members/ Once again I think we have the largest dues paid chapter in the East; but I'll admit I haven't seen all the numbers yet this year. For all of you with a red check mark on the address label, this is your last copy of the newsletter unless you come up with the \$5.00 dues this month.

The things people will do to keep busy on a rained out contest. The following, as reported to your chapter President by a local chapter member - - - Max's measurements are as follows: Length 30", Height 15" + or - Leg length 5½", Ears 3½", Nose 3", "Wing span" between ears 8". So whatever you other folks did to keep sane really wasn't bad.

The following message is from your Contest Chairman, Ward Bryant:  
"As the Contest Chairman of our most recently aborted Contest I would like to express my personal thanks to all who helped out.  
The level of cooperation and enthusiasm toward helping this year was overwhelming and greatly appreciated by your Contest officials. Everyone in Chapter 35 has been around long enough now to realize that the time and work getting set up and packing up after the flying is over are the most difficult periods at any Contest. Your efforts were successful in spite of the usual weather problems; anytime we can gather together, watch it rain, and still have our own people as well as our guests from out of town say they've had a good time, we have to declare at least a partly successful weekend.  
Once again my personal thanks to you all. See ya'll in October."

\*\*\*\*\*Our next meeting is July 16th at 9:30 AM - Silver Ranch Airpark\*\*\*\*\*  
Jaffrey, N.H.

Coming events-

- July 8-9-10 Susquehanna Valley Chapter 58 - 3 category -  
Marietta - Elizabethtown Airport, Maytown, Penn.
- July 15-16-17 Chapter 34 - Ohio - Location not final.  
Call Errol Roberts 216-334-9461 for details.
- July 22-23-24 Chapter 1 & 70 - 4 category -  
Belvidere Airport, Belvidere, Ill.
- August 8-13 IAC Championships, Fond du Lac, Wisc.
- Sept. 9-10-11 Chapter 94 - 3 category -  
Red Lion Airport, Vincentown, N.J.
- Sept. 30 - Oct. 1 & 2 - Our rained out contest rescheduled.  
Unofficial so far.

Val

It's hard to get settled down again after being away for a month but we are back and I guess I had better settle in and get the August newsletter to you folks. As you probably know by now, Oshkosh was a huge success this year even with all of the flying accidents. The figure listed out there was approximately 8700,000 people in attendance at the huge event.

The same can't be said about Fond du Lac. It was a success but alot of people didn't show up this year. Chapter 35 didn't bring home any hardware for the first time in years. In case you don't know already, the following is a list of the winners and the placing of Chapter 35 members:

<u>SPORTSMAN (24)</u>	<u>INTERMEDIATE (20)</u>	<u>ADVANCED (22)</u>	<u>UNLIMITED (16)</u>
1-Gilles Henderson	1-R. Armstrong	1-Pete Anderson	1-Henry Haig
2-J. Dunaway	2-Steve McKinney	2-Jerry Spear	2-Harold Chappell
3-G. McNeely	3-Mark Marsh	3-Fred Johnson	3-John Gardner
18-Carol Grant	17-Bob Moxter	5-Rick Runnels	6-Dennis Sawyer
		10-Steve Skupien	

We were blessed with nice weather for the week except every time the Intermediate flew and then the weather would get poor. The contestants did have to fly in some pretty high winds and there were alot of outs.

Chapter 35 people got together again this year on Monday night for a meal at the Captains Steak Joint. We had 13 members and 1 guest attend. This is becoming an annual event.

The awards dinner was held in the new EAA Museum at Oshkosh. It is a beautiful place. Unfortunately, it isn't set up too well for such events as yet and you had to wander out to the rear lobby to get a drink and the smokers had to go out doors to smoke. Several bad comments about the situation. Chapter 35 can be very proud of the fact that as of the first of July, we are 1 of only 5 IAC Chapters that has contributed a brick to the new building.

Yours truly won the 2 year spot on the board of directors. I suppose I'll have to listen to what you people say now. Only kidding folks. I am very serious though when I say "Thanks Very Much" for all of your votes and confidence, I hope I can help out along the line. Jim Lacey, the grand OLD man of IAC, chose to resign effective immediately and Dick Rihn, the next runner up, was chosen to serve out Jim's remaining year on the board.

I am going to Vincentown, N.J. for their contest - supposed to be Chief Judge. If anybody needs anything hauled down to the contest, I'll be leaving early on the 9th with the camper so let me know beforehand.

The winners of the only 2 months that we have been able to have flying practice are:

MAY - Paul Vougtlin --- 79.29 points

JULY - Dennis Sawyer --- 85.99 points

We are going to have a meeting before the contest on Sept. 18th at 9:30 at the Silver Ranch Airpark, Jaffrey, N.H. Your last chance to practice locally before the contest. We will need the usual people for the usual things - box, beer, food, etc. on Friday of the contest so hope you good workers can make it and of course, we need even more on Saturday. If you have any job you really want - well speak up! Ward says you can even have the contest chairman spot.

While at Oshkosh, we met Tom and Eleanor McMullin, former chapter members. They are living in Fort Lauderdale, Florida now. Their comment is that you can't find "grassroots IAC" down that way. They stayed for part of Fond du Lac and Tom helped out on the judges line.

We are now an International Chapter with a member in Nova Scotia - dues paid and all. We also have a member with great confidence in Chapter 35. He paid his dues this year for 5 years. No more red check marks for him.

In case you didn't know, you can now get all of your aerobatic planes (almost) from one place; your friendly Eagle dealer now owns the rights to the LASER 260.

DATES TO REMEMBER

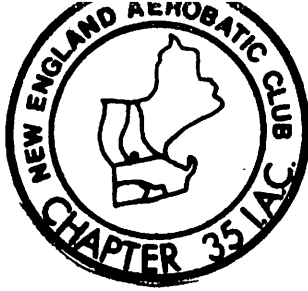

\*\*\*\*\*Sept 18, 1983 - Sunday - 9:30 AM -- Monthly meeting Chapter 35, .....  
\*\*\*\* Silver Ranch Airpark, Jaffrey, N.H. \*\*\*\*

Oct, 1983 - Election of Officers for Chapter 35

*Yal*

NEW ENGLAND AEROBATIC CLUB - CHAPTER 35

OCTOBER NEWSLETTER - 1983

At the present time, I'm busy negotiating with several of the draught stricken African nations to hold our contest for 1984 in their nation. I'm offering a guarantee of at least one day of rain with a great possibility of two days on that weekend. At least that way, we could make some people happy. It is unbelievable but we got rained out for the second time this year.

The social events were a success once again. On behalf of Chapter 35, I would like to thank the Bryants for opening their house to us for our Friday night buffet and attitude adjustment period. A great big thanks is due the gals of the Chapter that donated all the food and Nora Bryant for organizing it all so successfully.

Our October meeting will be late due to the contest date and trying for one more flying meeting. We will have the regular October meeting at Silver Ranch Airpark on Sunday, Oct. 30th, at 10:30 AM. Hope as many as possible will attend as we need to elect officers for the next year.

The winners in Unlimited at Mesa and our team for the 1984 World Contest are Kermit Weeks, Henry Haig, Harold Chappel, Allen Bush and Gene Beggs. Leo zeroed one flight so did not place.

For those of you that know Clint McHenry, he is back flying and placed 9th after all these years.

The N.J. contest went well with Priscilla and I attending. The temperature was hotter than ---- but all the flights were flown with Neal Frangesh taking another first in Intermediate, Rick Runnels 2nd in Advanced and Dennis Sawyer 2nd in Unlimited. Jim Beams and wife, Kathy and Art Maynard helped work at the contest.

Ward and I would like to express our thanks to all of you that worked at our "non-contest". All of you people that helped with - chairs - radios - food etc., we can't do it with out you and we hope you will keep volunteering.

The buttons of Chapter 35's patch that we passed out to all the contest people are now available for sale at \$2.00 apiece.

DATES TO REMEMBER

\*\*\*\*\* Next meeting - October 30 at 10:30 AM - SILVER RANCH AIRPARK - Jaffrey.  
February 11, 1984 - Tentative date for our mid-winter dinner.

Val

NEW ENGLAND AEROBATIC CLUB - CHAPTER 35  
NOVEMBER NEWSLETTER - 1983

Chapter 35's October meeting was held on the 30th this year due to our contest dates. We had 14 people in attendance and ended up with six of them flying for practice and the monthly plaque percentage. Paul Voegtlin won by a very narrow margin - 78.28% to Dennis Sawyer's 78.12%.

We all got a chance to see Dennis latest project and watch it fly as he came in the new Hyperbipe. If you haven't seen it yet, it is one pretty plane and of course has great workmanship as usual for Dennis.

The same slate of officers were nominated and elected for the coming year.

The February dinner will be held on the 11th next year with time and place to be announced.

It was also voted to have a 4 category contest on the 1-2-3- of June, if available, or 8-9-10 as a second choice. It was suggested that we call our contest New England Aerobatic Championships. What do you all think of that?

A number of items from the executive board meeting, which I attended on the 17th of October, were discussed. The board meeting is the 2 & 3 of December in Hales Corners. If you have anything you want brought to Nationals attention, contact me before then.

Pete and Donna Burrill who used to be very active in Chapter 35 have a new son. Congratulations!

The next meeting of Chapter 35 will be held at the Silver Ranch Airpark, Jaffrey, N.H. on November 19th at 10:30 AM.
