

SERVICES

FIRST COURSE

Profitability & COGS Reduction

This process is proven to stabilize COGS and drive immediate P&L impact. Targeted 8-10% COGS reduction protocols. Negotiation for Net 30 terms and better pricing.

SECOND COURSE

Operational Systemization & Build-Outs

We build the engine for rapid growth. Covering everything from construction oversight to final staffing. Creation of FOH/BOH SOP Bibles and training manuals. Construction project management and design integration.

THIRD COURSE

Michelin-Tier Standards

Establishment of HR, Payroll, and Accounting procedures. Defined KPIs and accountability structures for Partners/Directors.
