

District 7360 Community Grant Application 2023-2024
Rotary Club of State College/Downtown
Application Deadline, July 15, 2023

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. Solving real problems takes real commitment and vision.

For more than 35 years, the State College Downtown Rotary’s people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Applicants should submit projects that have an impact on our local community and should fit within our club’s mission to focus on children and youth. We anticipate that two projects will be selected for funding. For the 2023-24 year the club has \$8,400 in grant money to be divided between the projects. Funds must be used for something tangible. Operating expenses or salaries cannot be funded. Grant monies are typically available by early Autumn and the project must be completed by April 30, 2024.
