

## Deposit Agreement

Deposits are considered a commitment to purchase and are not refundable unless there is a health issue with the puppy.

If the puppy is over 6 weeks at time of deposit a 50% deposit is required.

Once your puppy is 8 weeks old, puppies are expected to be picked up promptly. By this time arrangements and dates should be scheduled. The remaining balance may be requested. You are welcome and encouraged to pay the balance when you pick up your puppy, however if communication or arranging pick up or flight has not been made prior to 8 weeks then the balance may be requested in order to continue holding your puppy.

Buyer understands if these terms are not met the beginning deposit will be forfeited.

A boarding fee will be payable by the buyer at \$10 per day after 10 weeks old.
