## Thrive

*"I am building a better future not only for me but for my children"* -Thrive participant

Thrive is a program that works with female-led households to develop a prosperity pathway. By partnering with SEA'S prosperity coach, single mothers are empowered to connect to community services and resources, learn about healthy lifestyles, professional and personal goal setting, parenting, communication, and financial wellness. Participants attend regular group meetings that help participants feel supported and connected to other members.

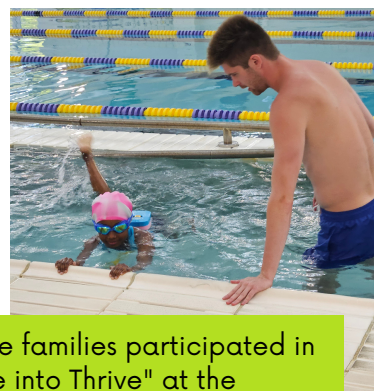

**29** mothers enrolled

**52** children

**205** prosperity coaching sessions

Volunteers help clean up the garden and prepare it for planting.

Thrive families participated in "Dive into Thrive" at the University of Montevallo to learn water safety and swimming.

# Dear Friends,

As we reflect on the past year, one word comes to mind more than any other—gratitude. We are so grateful for the support and dedication of our volunteers, donors, board members and staff. **We came together as a community to serve our neighbors in need.**

With your support we were able to continue providing critical assistance to individuals and families in crisis. Our food pantry distributed food to nearly 1500 individuals our emergency financial assistance program helped over 1400 families with rent, utilities, and other basic needs, and we helped provide school supplies and Christmas gifts to many families.

None of this would have been possible without the generosity of our donors and volunteers. Whether through financial contributions, food drives, or hours of service, each and every one of you played a crucial role in our ability to support those in need. Looking ahead, we remain committed to our mission of providing emergency assistance and basic needs to individuals and families in crisis in the Shelby County area.

**Thank you for your continued support and partnership. Together, we can make a difference in the lives of those we serve.**

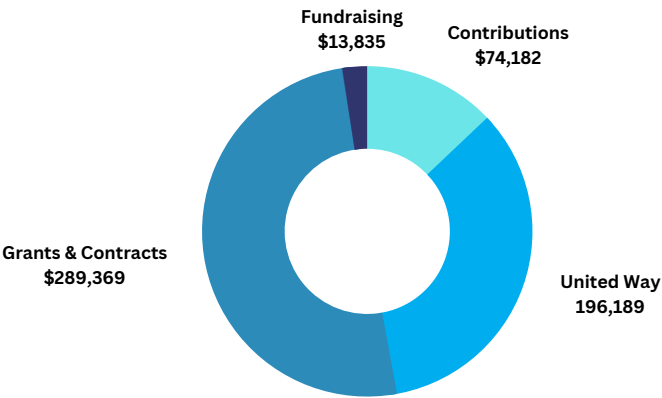

Sincerely,

*Brooke McKinley*
