

# 2023 IMPACT REPORT

Volunteers from Montevallo First Baptist Church help pack backpacks for the Back to School parade.

### *Celebrating 50 years of service to the community!*

It was a year of celebration for Shelby Emergency Assistance! We celebrated 50 years of service to the community! We hosted a 50th Anniversary gala to reflect on the past and celebrate our future. It was a wonderful event that many of our friends and supporters attended. We met our goal of raising \$50,000! We were also honored to be named nonprofit of the year by the Shelby County Chamber of Commerce.

One thing that this year of celebration taught us is that we absolutely could not do this work alone. Throughout the years friends and supporters like you have walked alongside us and supported us and made our organization what it is today. Because of you, families in crisis have somewhere to turn to for support.

On behalf of those we serve, **thank you.**
