Shelby

Emergency

Assistance

# Annual Report 2019

Shelby Emergency Assistance began in 1973 through the efforts of local individuals concerned about the needs of others in our community.

These individuals, working as volunteers, developed the basic philosophy that guides our services today. In 1977 the agency became affiliated with United Way of Central Alabama, allowing us to expand our services to cover all of Shelby County.

#### **OUR VISION**

To provide temporary emergency assistance to Shelby County residents who, due to a crisis, cannot meet their current basic needs. This is achieved by providing direct social services, utilizing and developing community resource referrals, training, and educational services.

#### MESSAGE FROM THE EXECUTIVE DIRECTOR

The year 2019 was a productive one for SEA, with new events and services that we were able to provide. We had our first Family Fun Day which was an opportunity to provide fun activities for parents and children, while also letting them see our new facility and meet our staff and board members. The Lion's Club Mobile Sight Unit was also available that day to provide vision exams. It was such a success that the Mobile Sight Unit began providing monthly visits to SEA to provide low-cost vision exams and glasses for our clients and the community. This has been an invaluable service helping people improve their vision and have more productive lives. For many it has meant being able to get a job and for others it has meant being able to help their children with school work.

Our Board of Directors were also very busy in organizing fundraisers and helping increase awareness of SEA's services, especially through social media. Their efforts resulted in our most successful year of fundraising. The Board also initiated the creation of the SEA Junior Board to assist with and support agency activities. These young members have demonstrated wonderful enthusiasm and creativity and we look forward to their continued participation.

It was a good year at SEA, but none of this would have been possible without the support of our community. We are so fortunate to have people who give of their time through volunteering and give of their resources through donations. SEA began through the efforts of community volunteers and donors and, still today, they remain vital to our continued operation and accomplishments.

## AGENCY EVENTS

#### **FAMILY FUN DAY**

SEA's first Family Fun Day was a great success with plenty of fun activities for kids and useful information for parents. Kids learned how to Hula Hoop, had their face painted, and made fun crafts. Meanwhile, parents learned about Head Start, Smoke Alarms and SEA's services. SEA Board members also provided lunch for all.

#### MARDI GRAS

Everyone looks forward to SEA's Mradi Gras event, with its great Cajun food, fun music and silent auction. Jim Quakenbush and his trumpet had everyone in the party mood. There were lots of items for bidding in the silent auction, and even a little friendly competition. It was a great time for friends to get together for a good cause.

#### **HOLIDAY BREAKFAST**

Our Pancake Breakfast was a opportunity for us to enjoy the Holiday season with our volunteers and supporters. In addition to a hearty breakfast, we had musical entertainment provided by the Boys & Girls Club and plenty of door prizes. We were all winners that day.

## **OUR VOLUNTEERS**

SEA started with a few volunteers who came together to help people in need. Since that time, volunteers have been a vital part of SEA's day-today operation, helping with a variety of services. Our volunteers come with differing backgrounds and experience, but they all have one thing in common – a desire to help others. SEA is grateful for these volunteers and their giving hearts.
