“ ***A perfect (and gentle) lice removal...  
My 7 year old fell asleep!*** ”

Great experience for the three of us (one adult, two small children). They scheduled us the same day and did a perfect (and gentle) lice removal that worked – they got every single one! My 7 year old told me she was so relaxed she fell asleep. Very honest, knowledgeable professionals. Great Coco Loco product to take home for post-treatment and combing/styling. Highly recommend Picky Pam.
