

Dear Neighbor,

You have moved into a wonderful neighborhood! Along with that comes the tradition of being in a "Neighborhood Association." Our association, Holiday Island Hospitality Association or "HIHA" for short, serves as a network for residents of Holiday Island without any political affiliation.

Residents may join HIHA for \$25.00 per household per year. Each member household will receive one free Holiday Island (HI) Community Directory and is welcome to attend all HIHA social events.

HIHA is funded primarily through membership dues and the sale of advertising in the HI Community Directory. HIHA General Meetings are the 2nd Thursday of each quarter - January, April, July, and October and a blow-out holiday party in December.

HIHA sponsors activities throughout the year including Community Outreach and Education, Beautification, semi-annual Roads & Lakefront Cleanup, the Holiday Island Community Directory and Social Events.

To become a HIHA member and/or be included in the HI Community Directory, please complete the information below with the adults in your household. The HI Community Directory is published annually.

Welcome to Holiday Island! We hope you find it a pleasant and happy place to live.

Sincerely,

HIHA Welcome Committee
