

# WHAT WE DO?

A results-driven consultancy in the world of Safety, Health and Environmental professionals. Your all-in-one SHE solution.

Our approach is highly customizable to meet the unique needs of each client.

## CONSULTING - ALL YOU NEED

Everything you require in terms of the  
OSH Act; MHS Act; ISO 45001; ISO  
14001; ISO 22000

## AUDITS AND SITE INSPECTIONS

Site visits, site inspections,  
compliance audits

## HEALTH, SAFETY AND ENVIRONMENTAL FILES

Compiling full safety files for all your  
contracting requirements and basic  
start-up safety filing systems in line  
with ISO 45001 or ISO 18001

## INCIDENT INVESTIGATIONS

Compilation of incident notifications  
and investigations; safety and  
environmental incident management in  
terms of labor, safety and  
environmental laws;

## ENVIRONMENTAL AND SOCIAL GOVERNANCE

Waste, water and energy management;  
community engagements/projects; air  
quality surveys and reporting;  
biodiversity monitoring; environmental  
noise surveys

# OUR TEAM

Prenell Dorasamy, is a trailblazer with a BSc Degree and extensive expertise in Safety, Health, and Environmental aspects.

Our future plan is to grow a dedicated team that is a force for positive change, with Prenell's overflowing knowledge propelling us forward.

With Prenell being the visionary and backed by experience and skills, our future holds exciting plans for expansion as we prepare to amplify our impact on organisations in South Africa.
