

July 10, 2024

Dear Mr. Chris Krotche,

We are delighted to inform you that the Macomb County Farm Bureau has granted you the "Friend to Agriculture" endorsement for the 2024 election cycle. As a local branch of the Michigan Farm Bureau, we actively engage in our communities to support our farmers. You are welcome to use this endorsement in your campaign materials for both the August 6 Primary and the November 5 General elections.

The "Friend to Agriculture" endorsement comes from the recommendations of the County Farm Bureau Candidate Evaluation Committees within your district, followed by the Board's approval.

We will announce this endorsement to the Farm Bureau members in your district and encourage them to vote for you.

Our aim is to cultivate a relationship between our members—not all are farmers—and our elected officials. We strive to maintain open communication and provide prompt, effective resources to help you understand the positions of your agricultural constituents and their supporters on local issues.

We eagerly anticipate engaging with you and addressing any inquiries regarding our members' positions on the issues you may tackle during your tenure. Our local board regularly meets in Richmond, and we invite you to join us. Upon election, we look forward to discussions and updates on agricultural matters.

On behalf of the Macomb County Farm Bureau, we congratulate you on your endorsement and wish you the best in your campaign. Should you have any questions regarding the endorsement or wish to attend a meeting, please feel free to reach out to us.

Sincerely,

Macomb County Farm Bureau Candidate Evaluation Committee
