The new LUBE USA Pro Late Model NextGen body is installed and ready to hit the track! Noah will be racing this at the Dells Raceway Park for the 2022 racing season going for the Championship title!

## The Season is just around the corner!

We have been very busy over the last several months getting ready for the upcoming race season. We have made a number of improvements to our asphalt car. Over the off-season we have installed a new Toyota NextGen body on the chassis. This matches what NASCAR is running on television with the same aero advantages. The body choice was part of the Primary Sponsorship agreement with LUBE USA since their main corporate headquarters is

based out of Tokyo, Japan.

We also put in a new 3 speed transmission with lightweight components and a few other lightweight components throughout the driveline to reduce rotating mass. Hopefully, this will help shave time off our qualifying efforts and ensure we run in the Top-16.

We want to Thank everyone that contributed to our off-season rebuild and for your on-going support!

## Upcoming 2022 Season Notes

NDE Racing would like to announce LUBE USA as our first ever Primary Sponsor for NDE Racing!

LUBE USA provides oil and grease lubrication systems for leading machine and manufacturing industries around the world. LUBE USA is out of Greenville, SC with their Corporate headquarters based in Tokyo, Japan.

LUBE USA came on-board last year as a Major Sponsor and saw the advantages with our Marketing Program and wanted to expand on it. In addition to being the Primary Sponsor on the car, they are also Sponsoring two nights at the Dell's Raceway July 16<sup>th</sup> and August 13<sup>th</sup>.

We also want to let everyone know that we are planning on running the six-race Triple Crown Series at the Golden

Sands Speedway in Plover, WI. These are Friday night races and will not affect our racing at the Dell's Raceway this season.

We are also planning on running the Milwaukee Mile on August 28<sup>th</sup> pending if they allow our new body in their rules. I have talked to the Big 8 Series Technical Director and they are currently reviewing the rules.

We will be posting our schedule and updates on our website at [www.nderacing.com](http://www.nderacing.com) and also on posting updates on Facebook, and Instagram. If you are not following NDE Racing on Social Media search for @nderacing on Facebook and Instagram.

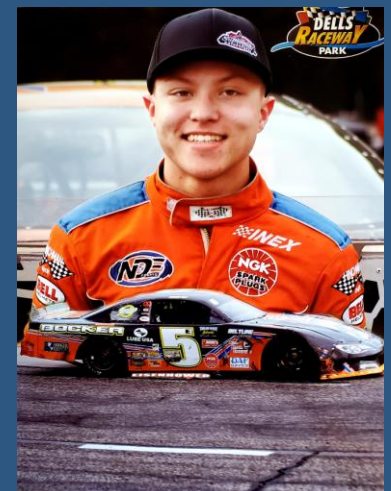

We hope to see you at the races!
