Pre-Season work is underway!

We have been very busy over the last few months getting ready for the upcoming race season. NDE Racing has also been attending Trade shows in Des Moines, Iowa and the Performance Racing Industry show in Indianapolis, Indiana back in November and December.

We also have been working on putting a Legends dirt car together for the 2018 season. We also have been making

updates to his asphalt car as well! We would like to Thank Mark Colberg for getting all our bearings MicroBlue coated, Dave at Auto Repair Specialist for turning our rotors and Jon Rogers at Out-Pace Race Products for the heim joints for the new car! We could not do this without everyone helping out on both cars! We are excited to get these cars done so we can start testing once the weather decides to get nice! AND NO MORE SNOW!

New Sponsors working with NDE Racing!

We picked up two new sponsors at the PRI show and Noah was instrumental in getting these on his own! We would like to Welcome Butch Novak of SpeedBear Fasteners based out of Imperial, PA. They are the Official supplier of Fasteners for NDE Racing! "Uncle Butch" hooked Noah up with all the fasteners in the various colors of our car in different sizes. A big Thank you to Uncle Butch for supporting NDE Racing and look forward to working with you in the coming years.

We also picked up a Sponsorship with Fluidyne High Performance based out of Mooresville, NC. They make radiators and coolers for various race

cars. We talked to the owner Gary Johnson and he was impressed with Noah racing a Legends Car at his age and wanted to help us out. They recently released a new oil cooler designed for Legends Cars which is a huge improvement from what we currently were using! They sent us oil cooler which we are now putting on his asphalt car among other improvements!

We also would like to announce that PHK Bicycles and Skateboards from Freeport is a new sponsor! Pete saw Noah at a car show last fall and wanted to get involved with our marketing! We have something in the works with PHK in April!
