Noah a Heat Win at Jefferson Speedway. Noah started in the back row and drove up through the field for the win! Great job Noah!

## **We are in the middle of the season!**

We have been very busy over the last month campaigning two cars this race season. Noah is steadily getting faster every week as we keep dialing in his car. On May 19th Noah won his first Heat race at the Jefferson Speedway and finished in 7th place in the Feature.

On May 26th at the Dells Raceway, Noah was involved in an accident in the Heat race causing damage to the car. He pulled off for repairs and finished

the race. Noah had to race the B-Main to transfer into the A-Main and was able to battle to the front for the win! He finished in 7th place in the Feature.

On June 16th Noah had a great night of racing by winning both his Heat race and B-Main race from the back of the field! He drove to the front in record time in both events and was able to race in the A-Main which he finished in 9th out of 20 cars! Solid start to the season!

## **Dirt track racing update!**

On June 1st Noah debuted his Dirt car at the Lafayette County Speedway in Darlington, WI. Eighteen Legends cars were in attendance for the Wisconsin Legends Dirt Series Tour. Since this was Noah's first time with the Series he had to start in the rear of the field since he is a Rookie. Not knowing how the car was going to handle he was fine with that!

Noah went out for Hot laps and turned some decent laps and the car handled well. We made a few minor adjustments for the Heat race. Noah started in the rear of the Heat race and got right up on the wheel and battled for position. He ended up in 7th for the

Heat race and said the car handled well for 8 laps. After talking to him on where to lift and drive out of the corners Noah adjusted his car for the Feature race.

Noah started in 18th position for the Feature race and drove the car hard into the corners and powered through the high side coming out. He passed cars low and high and battled for every position he could and at the end of the race finished in 12th place! A few drivers came over to congratulate him on his first time back on dirt and could not believe he was only 12 years old! They both told Noah he was one hell of a wheel man!
