Noah at the April 20th Ice Breaker at the Dells Raceway! This was the first time the car has been to the track Noah won his Heat race in a dominate fashion by leading most of the race by two or three car lengths. A late race caution bunched them back up and Noah was able to keep the lead to the Checkered Flag for the Win!

The Season is underway!

We have been very busy over the last few months getting ready for the upcoming race season. We had the Asphalt motor rebuilt since it was down on power. Hank Scott rebuilt the motor from top to bottom and it pulls 3 more horsepower and higher torque numbers than the old motor. We also rebuilt the front brakes, installed new rear brakes and all new brake lines on the car.

Mark Colberg at Colberg HI-Performance Microblued the rear end gears and bearings to free up additional horsepower. Both rear gears were then rebuilt by Terry Deboer.

Tailor Made Auto Restorations made time for us to re-paint two front fenders that we repaired from prior race damage and they turned out great!

We want to Thank everyone that contributed to our off-season rebuild! We Thank you for your generosity!

We recently picked up one new sponsor for the 2019 season. We would like to Welcome Security First Title Company. Security First Title is a family owned business operated by Billy W.
