## Mid-Season is here already!

The middle of the race season is upon us already but it seems like we just started! The weather has been a huge drag on the start of this season with the never ending rain. It felt like we never really got into the racing until late in June.

Noah picked up another Heat win on July 6th at the Jefferson Speedway. Noah started in the 2nd row on the outside and was able to drive his car to the front by lap 3. He was able to get

a run on the inside of Tony Moyer coming out of corner 2 in a drag race going into corner 3. Noah dropped to the bottom groove and was able to maintain his lead out of corner 4 going down the front stretch. Once Noah got out front, he was able to put three car lengths on the field for the remaining laps. Jason Dunn tried to make a late charge on Noah but could not close the 3 car gap in the final lap. Great Job Noah!

## Dirt track racing coming up this month.

On June 23rd we had the dirt car ready to race at the Dubuque County Speedway in Dubuque, IA. The Iowa Legends Car Series was scheduled to run with the World of Sprint Cars with many big names scheduled to appear. As usual, rain ruined the day and the event was canceled and not re-scheduled.

We have three remaining scheduled dirt races coming up in the month of July. The first one will be back at the Lafayette County Speedway on July 12th during the fair. Noah ran well the last time there and is looking forward to returning to try a new set-up and gear in the car.

Our next race will be on July 24th at the Dubuque County Speedway in Dubuque, IA during their Fair week. We tested on this track back in March so Noah is anxious to get back to try his new setup out.

The following day we will be racing at the Jackson County Speedway in Maquoketa, IA during their Fair week. This will be the last scheduled dirt race for this season unless we decide to run another weekend that doesn't conflict with our Asphalt racing. Please come out and see Noah get it done on the dirt and show these guys how versatile of a driver he is!
