## **2019 Jefferson Speedway Season Championship.**

Jefferson WI 8/17/19-Noah Eisenhower from Freeport IL won the Heat race from the 6th place starting position. Noah was able to work his way through traffic to come out on top with 3 laps to go. Noah had a late race challenge but was able to keep the lead until the Checkers Flag.

On August 31st Jefferson Speedway held the Legends Car Championship race. Coming into the nights race, Noah was sitting in 6th place in the points battle with a close points battle with the Drivers sitting in 4th thru 6th place. After the first round of practice the car was turning a 15.962 lap time with a slightly loose condition coming off the corners. A few adjustments were made to the chassis before Qualifying to tighten car up. Noah qualified 7th out of 13 cars with a time

of 16.047 on the final lap. Noah had a good run going in 7th place until someone spun causing a caution. On the restart of the race Noah had a run into corner 1 tapping the car in front of him causing him to spin. On the 2nd restart, Noah was in a pack of 4 cars fighting for position and Noah was able to come out on top in 9th place. Noah ended up finishing in 5th place in the 2019 Jefferson Speedway Legends Car Championship. Great job Noah!

## **Dells Raceway Park 2019 Season Championship**

On September 7th, Noah came into the Season Championship race in 5th place at the Dells Raceway. Sixteen Legends cars were in attendance for the Wisconsin Fastrac Series Tour.

Noah went out for Hot laps and turned some decent laps and the car handled well. We made a few minor adjustments for the Fast Dash race since the track was cooling off. Noah started on the pole of the Fast Dash race and got right up on the wheel and battled for position. Holding his position into corner 1 and was forced to the high line was passed by a few cars in a tight pack. Noah fell back into line and maintained his position. ended up in 6th place in the Fast Dash race.

In the feature race, Noah started in 5th place and quickly made his move to the front by racing hard and was leading the race by lap 6 by going three wide out of corner 2. Noah lead the race for 8 laps with a huge lead until two cars managed to run him down and make a charge for the lead. They got a run to his inside and forced him high into corner 2 making the pass. Noah tucked in behind 2nd place for the remaining 6 laps trying to set up runs for a late race attempt for 2nd place. The 4th place car made a charge for Noah's 3rd place position on the last lap and beat Noah at the finish line by half a car length. Noah finished the Season Championship night in 4th place and maintained 5th place in the points standings.

Noah had some fans come into the pits for an Autograph session before Qualifying at Dell's Raceway.

We would like to Thank all of our Marketing Partners that have supported us this year in our quest for the Championship! We enjoy working with each of you in your promoting your Brand and Products. We truly have some of the best Marketing Partners that believe in what we do! We have some exciting news for next season! We have sold both of our Legends cars and will be moving up into a full-size Asphalt Late Model. We still are determining what track we will run to go for the Rookie of the Year. We also might have an opportunity to run a dirt Late Model on Friday nights at Lafayette County Speedway. We will announce this in a few weeks once we have everything finalized. We still have one more race on September 28th at the Rockford Speedway and this will be the last time to catch Noah in his Legend Car! See you at the track!
