The new Pathfinder Chassis Pro Latemodel ready to hit the track! He will be racing this at the Dells Raceway Park for the 2021 racing season going for the Rookie of the year title. Car is on display at Bocker Auto Group showroom.

The Season is finally kicking off!

We have been very busy over the last several months getting ready for the upcoming race season. We have made a number of improvements to our asphalt car. Over the off-season we have put in a GM 604 crate motor and Carburetor, new 3 speed transmission, new drive shaft, and new fuel cell and can. We also change the front end geometry and are now using Out-Pace Race Products suspension! This will be a first for Out-Pace using

their suspension in the asphalt world of racing. We also made read-end suspension changes to the car to make this car corner and react quicker!

Not only have we worked on the asphalt Latemodel, but we have also been working on the dirt Late model that Noah will be running at Lafayette County Speedway this year as well. We are going through that car top to bottom, making sure that it is ready to go for the year with the latest technology available.

NDE Racing for Rookie of the Year at the Dells !

We are announcing that Noah is eligible to compete as a Rookie again at Dells Raceway Park for the 2021 season. Due to the late start last year due to Covid and the fact we had a terrible run of luck last year, we only ran 5 of the required 8 races for the Rookie of the Year honors. Coming into the 2021 race season with a totally new car and working as a Affiliate Team with Super Star Motorsports racing team, Noah has a legitimate chance to win the 2012 Rookie of the Year honors! Both Noah and Frank Kreyer are excited to get his season kicked off and to dial this car in the next few weeks when testing will be taking place.

We also want to let everyone know that we are planning on running the Big 8 Series race at the famous Milwaukee Mile that will be held on August 29th at the Wisconsin State Fair Park. The Big 8 Series is running in conjunction with ARCA Menards Series. The ARCA Menards Series returns on Sunday, August 29th, 2021 for their first visit since 2009. This will be a great opportunity for Noah to showcase his talents in front of ARCA Series team owners and crews. Tickets are already on sale online at www.wistatefair.com/wsfp/milwaukee-mile-speedway/

Make plans now to attend to see Noah race on the oldest operating race track in the world!

April 2021

Upcoming events:

- April 17th Test & Tune, Lafayette County Speedway Darlington, WI.
- April 23rd, Season Opener, Lafayette County Speedway Darlington, WI.
