Hazard Materials Listing (if meets requirements)			
Chemical	Size of Container	Quantity	Total Quantity

*Additional Material listing available on our website. www.Claycomo.org/prevention

**Safety Data Sheets (SDS) formerly known as MSDS sheets are required to be on site and available for review by FD or employees.

***Site Map does not have to be to scale, but close approximation would be appreciated.

I, the undersigned do hereby authorize the submittal of this application and associated documents and certify and affirm by my signature that all information I have provided herein is true and correct. I do hereby agree to abide by and comply with all applicable Claycomo Municipal Codes and conditions of approval.

I further understand that any violations from the provisions of said codes and conditions of approval shall constitute cause for the retraction of this permit, enforcement and penalties as prescribed by the Claycomo Codes shall be applied. I understand that this application is non-transferrable and that changes may require resubmittal of a new application. I understand that in any case, this application must be renewed at the end of the approved period.
