Looking for a place for your festivities?

Call City Hall and discuss renting the public parks or Community Building.

Winter is here again, so I want to remind you of our Snow Removal parking ordinance. When it is necessary for the road district to scrape snow or salt the streets we clear the streets of parked vehicles for them. We always attempt to contact the owner of the vehicle and ask them to move it off the street. In rare cases it may be necessary to tow the vehicle. We do allow you to park your vehicle in our public parks during snow events.

Sec. 27-207. Prohibited parking during snow emergencies.

- (a) Whenever snow has accumulated or there is a possibility that snow will accumulate to such a depth that snow removal operations will be required, the chairman of the board of trustees or such other person as shall be designated by the board of trustees, may declare a parking emergency, and until such an emergency is terminated and the snow removed from the streets, no vehicle shall be parked on any street or the right-of-way of any street in the village.
- (b) All vehicles parked on such street at the time of the declaration of such emergency shall be moved. Provided, however, that the village shall take reasonable action to notify owners/operators of motor vehicles that such emergency has been declared.

As always feel free to contact me at city hall if you have any questions or concerns.

Matt Coonce — Chief of Police

On December 10th The Claycomo Fire Department conducted the annual Santa on a Fire Truck event. The event was a huge success. Santa is escorted around town on the back of our Pumper 621 with firefighters helping Santa distribute candy to children and senior citizens. This is also a good event where Claycomo Fire works with its Mutual-Aid partners, and we assist other Santa's with Pleasant Valley Fire and Birmingham Fire all working together. It is a great event.
