

Paw-A-Day Inn Policy Waiver

- 1) Paw-A-Day Inn and its employees agree to provide services stated in this agreement in a reliable and trustworthy manner. In consideration of these services and as an express condition thereof, the client expressly waives any and all claims against Paw-A-Day Inn or its employees.
- 2) The client understands that all pets must have a veterinarian and must be current with all vaccinations as followed: Rabies, Distemper Parvo, Intranasal Bordetella (every 6 months and at least 2 weeks prior to services), Bi-Valent Flu (1st initial vaccine plus 3 week booster), and a negative fecal. We do require specific vaccination against kennel cough, which is very common among boarding facilities. **All vaccines must be administered prior to services as pets cannot be admitted the same day vaccines are administered. Please bring vaccination record with you before or during admission or pet(s) will not be admitted.**
- 3) The client understands that all pets must be treated with a monthly flea, heartworm, and intestinal parasite preventative. If fleas are found on pet, a flea treatment will be given at owner's expense \$25.00. Same charge applies to intestinal parasites.
- 4) Paw-A-Day Inn will not board acutely ill animals or those with uncontrolled medical conditions. We suggest the pet be boarded with a vet clinic. Certain medical conditions may also be referred to a veterinarian for boarding. Pets infected with Feline Aids, FIP, ringworm or any other contagious disease will not be admitted.
- 5) The client understands that animals interact with other animals and employees. The client must express any known aggressions that the animal has with other pets or people and must be free of any communicable diseases. The pet is being admitted based on client's representation and admission may be revoked at any time for false representation.
- 6) Client is solely responsible for any harm caused by their pet to any employees, other pets/owners, or property. Client agrees to reimburse Paw-A-Day Inn (or pay directly to third parties such as veterinary clinics if necessary) for all costs (including, but not limited to, medical care and lost wages) associated with exposure to pet(s).
- 7) Paw-A-Day Inn does provide bowls and bedding; however, if you prefer to provide your own, Paw-A-Day Inn is not responsible for those items. Please label all items including medications with pet's name. It is recommended that the client provide the pet's own food as a change in diet can cause upset stomachs. House special food charge is \$3/meal.
- 8) Client understands if a playgroup setting is requested for your pet that accidents do happen. Client understands Paw-A-Day Inn will not be responsible for scrapes, scratches, playful bites, transmission of diseases, etc. as these things are common amongst play groups. Additionally, owner acknowledges that Paw-A-Day Inn uses photos and videos of pets at Paw-A-Day for promotional purposes and consents to such use.
- 9) All dogs must be accompanied by a leash. All cats must arrive and depart in a carrier. Paw-A-Day Inn reserves the right to take pet(s) to vet if necessary. Client is responsible for all charges including, but not limited to, vet fees and transportation fees.
- 10) Paw-A-Day Inn reserves the right to deny service or terminate service due to safety concerns, financial concerns, or inappropriate or uncomfortable situations.
- 11) Payment is expected after services are rendered. In the event of additional unforeseen costs (such as food, supplies, flea bath, vet fees, etc.), payment is expected at the completion of services. Check out time is 12:00(NOON). Owner agrees to pay an additional day charge of \$24(pre-tax) for pickup beyond this time.
