2024

After working hard to get the Food Hygiene Rating "Very Good" for our esteemed customers

We are proud to introduce formally as

"Homely Food" !!!

Thank You Very Much for your Support & Compliments ...!!

Hello Amruta, food was amazing!!!! Loved all of it. [redacted] brother in law, who is Punjabi, absolutely loved the samosas. He said it's all professional level food. Dabelis were a hit with everyone. I really liked the chole bhature (it's one of my favourite dishes and will definitely order more in the future). Just so so good!!!

8:37 am

Hello dear . I'm going to have now . But I did have the Bhajji with chilli and loved it to the core ❤️❤️❤️ had it after ages

9:33 pm

Portion sizes are so big - we have leftovers for lunch today, which is just great.

8:37 am

The chaat was lovely [redacted] and I we personally prefer our chaat sweeter but it was very nice and fresh.

8:38 am

Thank you for yummy food Amrutha 😊 you truly were my Annapoorni Devi today. Bless you 😊

9:00 pm

Samosas were the right size, crispy and filling was delicious. Dabelis were amazing, lovely undertones of peanut and pomegranate! Super soft bhatures and we loved the chole as well. Really enjoyed Papdi chaat. Chutney was brilliant. Will definitely order again next time we're in Basingstoke

Hi Amruta, the food was absolutely delicious. Brought some really good memories of Maharashtrian food. I think the packaging must be costing you quite a bit. Next time you can put the items together instead of packing each lunchbox portion separately.

9:43 pm

We enjoyed samosas and dabeli
