

UFDA is asking parents to order or provide costumes for their dancer for the classes listed below. The chart below provides the information on where and what to purchase for each class. However, please know there still may be additional costume fees for the class due to accessories, hats or props.

If you do not see your class listed that means Mrs. Tara will be purchasing your costume and you will receive a fee in your studio director account.

All Costumes will need to be brought to the studio the first week of May.

The following classes need to order from Discount Dance: *Please provide our UFDA student/teacher code when ordering: TP130178*
