ACCEPTING REFERRALS

At **Always You Dignified Quality Care (DQC)**, we are dedicated to empowering individuals with developmental disabilities through innovative programs and person-centered services. Our **ImpactWorks** program, combined with our transformative **Pillars of Excellence** framework, provides a comprehensive approach to growth and learning for every participant.

Designed for individuals with waiver-approved **In-Home and Community Support or Community Participation Services**, offered on the vibrant campus of the **Community College of Beaver County**, provides participants a true college experience in a safe and supportive environment. These services foster personal growth, build confidence, and celebrate individual strengths, creating a thriving community where every person is valued and connected.
