

YOUR YOUNG ADULT Belongs Here.

Always You ImpactBound → ImpactWorks
at the Community College of Beaver County

2026-2027 SCHOOL YEAR

Always You is a **disability centered leadership** and **identity development platform** designed specifically for students and young adults with disabilities. We help participants understand who they are, practice leadership, build authentic relationships, serve their communities, and turn their strengths into evidence for education, employment, entrepreneurship, and Whole Life Flourishing™.

Imagine your son or daughter walking onto a college campus every day. Exploring careers. Earning real wages. Building confidence, friendships, and a future that belongs entirely to them. **That is not a dream.**

That is ImpactBound and ImpactWorks.

THE ONLY PROGRAM OF ITS KIND IN BEAVER COUNTY

Where students learn workplace skills on a college campus, alongside employers, with master level staff and person centered planning at the core.

WHAT IS ALWAYS YOU IMPACTBOUND → IMPACTWORKS?

Always You offers two connected pathways for students and young adults with disabilities. ImpactBound (ages 14-21) supports school transition, leadership, and career exploration. ImpactWorks (ages 18-40) advances professional development, employment, and preparation for adult life. Each participant enters the pathway that aligns with their stage and goals.

A DAY IN THE LIFE

On a typical Tuesday, a participant might start the morning exploring a career pathway on campus, move into a paid work experience through a campus department or the Always You Inspire Cart, share lunch with college students, and close the day with a community partner site visit. Every day is intentional. Every experience is real. Every moment is theirs.

WHAT FAMILIES ARE SAYING

“Jordan is very much looking forward to continuing his studies with Always You. He even has his first day outfit picked out and asks several times a day when the van will pick him up.”

— Nicole Cox, Always You ImpactWorks Parent

When a young man has his first day outfit picked out a week in advance, that is belonging.
That is Always You. ♥
