

TYLER COUNTY FAIR HOME EC DIVISION ENTRY CATEGORIES

Students are eligible at age 8 and/or entering the 3rd grade; Entries due Sept. 1

Entering the various categories of the Home Economics division of the Tyler County Fair is a valuable way to celebrate creativity, tradition, and community spirit. These events provide individuals of all ages a platform to showcase their talents, whether it's through a perfectly baked pie or a thoughtfully crafted painting. They help preserve cultural heritage by passing down time-honored skills and encouraging new generations to engage with hands-on artistry. Beyond personal achievement, participants contribute to the fair's rich, diverse atmosphere and foster a sense of pride and connection among neighbors. Such involvement not only nurtures individual growth but also strengthens the fabric of local communities.

BAKING AND CANNING

Participants in these categories are expected to present their entries with care and attention to detail, following their chosen recipes carefully and complying with the fair rules. Flavor, texture, and appearance are key judging criteria. Recipes that require refrigeration are not permitted. Containers for baked goods will be provided to each participant.

BAKING

- Candy
- Cookies
- Bars/Brownies
- Layer Cakes
- Sheet Cakes
