Date: Saturday, December 31, 2022  
Time: 10 am – 4pm  
Location(s): Main Street - Tucker, Georgia

Dear Potential Sponsor,

Thank you for your consideration in helping to fund Tucker's 3<sup>rd</sup> Annual Music on Main – NYE Festival, brought to you by Citizens for Family Activities in Tucker LLC. Your funding will help pay for the staging, the performers, the audio equipment, the police officers, the kids' area, and to keep the cost, if any, nominal to the citizens of Tucker. It is our goal to obtain enough funds to provide a free annual event.

## **A Bit of History:**

New Year's Eve is the reason that Citizens for Family Activities in Tucker LLC came to fruition. In December of 2018 I was chatting on Tucker Town Talk, a popular Facebook group for locals, about NYE plans. Many of us had none. In discussing the situation, my fellow Tucker neighbors expressed a want for:

1. A Family Friendly event in Tucker where we didn't have to drive too far.;
2. An event that was early enough for parents to take the kids out to celebrate and then go out themselves later if they chose to do so.;
3. An event early enough for those of us who just don't want to be out late on New Year's Eve.;
4. An event that wouldn't break the bank.;

In January of 2019 I began making plans and reaching out to people to help. In September of 2019 Citizens for Family Activities was formed, and on December 31, 2022, Tucker's very first New Year's Eve Festival was held. Due to Covid we were unable to hold a festival in 2020, but December of 2021 we picked right back up where we left off. We look forward to your joining us for our 3<sup>rd</sup> Annual Festival.

I have attached information outlining the sponsorship levels for the 3<sup>rd</sup> Annual Tucker Music on Main – NYE Festival for your information and consideration. If you have any questions, please do not hesitate to contact me.

Thank you.

Sincerely,

*Camille Mahdi*
