

Community Health Worker Certification Program

Enrolling Now!

✨ Starting October 21! ✨

ORC's Community Health Worker Certificate Program will provide individuals with meaningful skills in an ever-growing career field that will provide care for at-risk and underserved populations in the community.

3-Part Certificate Program Includes:

4-week personal and professional development training

2-semester community health worker program

An internship at Friend Health
(opportunity for paid apprenticeship upon completion)

Eligibility criteria:

✨ High school diploma or equivalency ✨

✨ Completion of a college-level English course ✨
(or Read-to-Write placement test at MXC, scoring into English 96 or higher)
and

✨ The ability to submit official transcripts ✨

Program Scholarships are Available
