ISSUE 1.0 | August 2024 | VOLUME 1

THE LOST TAPES

We were so happy and excited to have found in the old archives our live recorded concert tapes that we thought were lost during our move to Ohio in 97'. Many songs that we began to add beautiful new tracks to, and digital remastering. We apologize for some clipping and tape noise, but we wanted to keep the sound authentic to the original live recording that now becomes the next Biblically Sound Album Titled: "Lost in this World". The new album is now under production.

It turned out to be that keeping the live sound in tact made the remastering a fantastic "Album Sound". Those who join Biblically Sound with a donation of any amount will be given access to the Biblically Sound Studio Production Page where a new song can be downloaded way in advance of it being posted on our Youtube music channel. This is our love gift to you for supporting the music ministry the Lord has called me to take to the world.

THE STUDIO

Our new live album "Lost in this World" is currently under production in Biblically Sound Studios. (Read Lost Tapes Section Below for full details)

TARGETED MAPS OF THE WORLD

[THE PAGES BELOW LETS YOU SEE WHERE WE CURRENT ARE](#)

Our campaign "Escape the War" in Ukraine has been amazing! Many residents of Kiev and other locations in Ukraine

Started a new life away from the violence, the bombs, the rockets that are continuously placing the Ukrainian people

Under attack. They have made their way to NATO territories all around the world. Many got on flights to the USA

And are now in Indiana, Florida, North Carolina, Vermont, NYC, Pennsylvania and many other places in America. We

continue to send the Biblically Sound Materials to the cities of Ukraine and now are considering that the next

Targeted place to try and get under the radar is going to be Israel.

GLOBAL OUTREACH

GERMANY

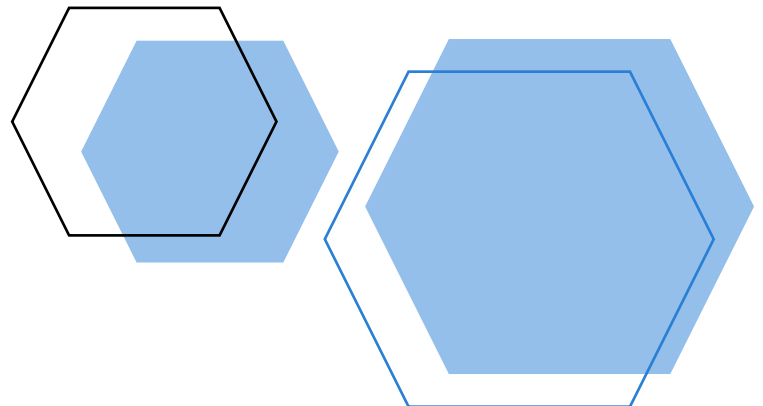

In Germany Biblically Sound was sent out to a girl that escaped the war of Ukraine, originally from Kiev, Inna after getting our "Escape the War" card and Biblically Sound song "Saith the Lord" found the courage to start her new life in Berlin. She still writes us telling all about how much she loves being there.

In America is where many fled flying out of Poland, another safe NATO territory. In America's cities of Ohio, Maine and Texas Ads on the radio stations brought in 1000 visitors to our Biblically Sound Website

Biblicallysound.co

This led to my brother Wesley in Bangor Maine telling me all about how You Tube has a way to target the entire world with skippable ads if we started a free music channel.

After hiring on a team of talented developers: UK Channel – Zahid and Dawson Designs, J. Dawson – with their talents created our Music Channel and Donation Land Page and the rest is history. Within 48 hours of launching we had near 2500 subscriptions on our You Tube Music Channel and 15,000 followers on Facebook. Once Google started to pick us up through Youtube Promotions, over 1500 people listened to our new Album Title Song: "Lost in this World" and watched the gorgeous movie-book-mp4-video on our Music Channel. That is when we knew that God was opening the doors and we needed to act quickly, so we filed and got Biblically Sound Music Inc. our registered nonprofit organization all set up and now we are able to let everyone, everywhere join music ministry: Biblically Sound with a donation of any amount.

Israel

Where we are going next (under the radar)

Our escape the war cards in Ukraine led a girl from Tel Aviv our way and so now we are going to try and get under the radar over in Israel to help encourage the people there who suddenly found themselves in a horrific war. Already we are seeing people of Israel flying to America to escape the sudden darkness that has come upon their land.

We will go with Youtube advertising targeted toward mobile phones in Tel Aviv and see if we can manage to be a small beacon of God's light of hope and encouraging Gospel messages that is within all of our songs. We need help from those who come and join Biblically Sound through the giving of any love-gift donation that you feel led to give.

The Lord Bless You All
