## Vendors

**We are proud to carry local, handmade items at our store!** When you bring your merchandise in to consign, we will select which items meet current consumer demands. This will be at the sole discretion of PBC.

We have an 8-week rotation. If the owner has not picked up the remaining merchandise by the 8th week, the items become the property of PBC. Please call to schedule an appointment for pick up. If you would like your items back before the 8th week, you may remove the items from the sales floor at any time.

PBC will determine the price and work with you on pricing for the item(s). We will price all merchandise according to supply and demand of the items. Please make us aware of any higher priced items that you would like a certain price for.

The owner of said item(s) will receive 70% of the selling price. The money in your account may be used as store credit or you may choose to cash out at any time. Any remaining credit at the end of your term can be sent as a check upon request.
