To wear more Jeans and tennis shoes so she can get up from that laptop to do her walking. I want her to stay healthy !!!

Norma is an excellent principal and I feel confident that she makes fair and consistent decisions that take all stakeholders well-being into account.

Norma Carlos leads by example in so many ways. She maintains high levels of respect, professionalism, and compassion at all times. She has a strong work ethic and never asks anything from her staff that she is not willing to participate in herself. She is one of the only administrators I have ever encountered who I feel is both a team leader and a team member at the same time.
