Renaissance Learning and Data Dive

Our Contact information:
Magdalena Ayala: mdelgado@skyrocket-ed.com
Hazel Rios: hazelrios@skyrocket-ed.com

Purpose
To become familiar with Renaissance Learning and be able to utilize the reports to inform my instruction.

RenStar Resource Hub ☆ Do you have the shared Drive? How is the document organized?	Notes:

Renaissance Learning ☆
• The Basics of the Renaissance Learning Platform
  ○ Giving Extended Time to students
  ○ Looking at Your Teacher Account
  ○ Looking at Student Accounts
  ○ Creating a Class/Grouping
	Notes:

Renaissance Learning ☆ • Reports	Notes:

Data Digest Protocol **GETTING ORIENTED** Individually review the data for 3-5 minutes.	Notes:
Data Digest Protocol DISCUSSION ● PART 1: Observations: *I noticed... I see that...* ● What patterns do you notice with the data? ● What strengths and/or areas of improvement does the data highlight? ● Are there any noteworthy trends that pop up?	Notes:
Data Digest Protocol DISCUSSION ● PART 2: Questions: *I wonder...* ● What questions arose as you looked at the data?	Notes:
Data Digest Protocol DISCUSSION ● PART 3: Hypothesis: *This could be because...* ● What might explain the patterns, highlights, etc. you observed? ● What are some initial theories you formed while studying the data or asking questions?	Notes:

Data Digest Protocol

NEXT STEPS

1. What are your **key takeaways?**
2. Where will you focus your **actions/process?**
3. What support will you need from **different stakeholders?**
4. **Create a Class** with your target students

</td>
<td>

Notes:

</td>
</tr>
<tr>
<td>

Reflection Questions

- What students would you primarily focus on? (Yellow, red, both?)
- What plans would you have for each level of students?
- What is the follow up? Who would check on the progress of these students?
