8. Additional prize categories will be added by sponsors with the rights for the sponsors to vote and choose their video winners based on their own criteria

9. Entries must be original, produced by students and not have been produced for compensation. Entries may include a theme of What water means to you, including conservation, quality, and availability of all water sources (including drinking water, watershed conservation, and coastal ecosystems. Other categories for entries include any sustainable subject of your choice, plastic pollution, clean oceans, preserving wildlife, etc. Videos should be edited, from live shots or alternating still photos, to be visually appealing. Care should be taken to protect the privacy and identity of minors. For example, please do not use or show minors individual names or other identifying information, such as an address, in your video. If a minor is identifiable, a release form must be submitted.

Videos should not contain any dangerous or unsafe activities.

Entries that use content that violates the rights of third parties (including, but not limited to, rights of copyright), such as copyrighted music will be automatically disqualified. You may, however, use a composer program, such as Garageband or iMovie, to mix your own creation of music. If you decide to include music that you did not create, make sure it is a non-copyrighted song. There are many websites devoted to providing free, non-copyrighted songs, including <http://www.goingware.com/tips/legal-downloads.html>. You may be asked to verify that you have permission to use any third-party materials in your video.

The submitted video entry should be approximately thirty (30) or sixty (60) seconds in length and no more than 300 megabytes in size. Acceptable video formats include, .wmv, .avi, .mov or .mpg.

By uploading the video entry, entrants confirm that they have obtained all necessary releases for any identifiable individuals depicted in the video or pictures used in the video. Releases are required for any identifiable individuals.

Videos become the property of Inside the Outdoors Foundation and all Be The Voice 4 The Planet Partners, including MWDOC, MET, MWDOC member agencies, financial sponsoring partners, and L.E.A.F. for use in outreach campaigns or promotions.
