

MEET THE TEACHER

Mrs. Susan Judge

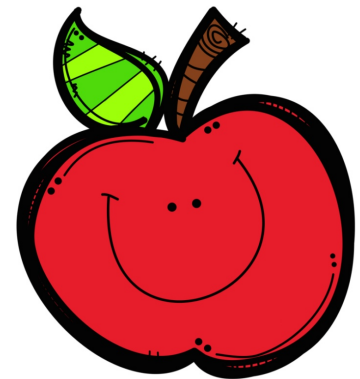

Education/Background

Hello and thank you for making a part of your team in building a successful foundation for your child and their love of learning. I obtained my certification in Early Childhood Education at Northern Lights College, and since have been working in the Lower Mainland. I have strengthened my passion and experience in the field by keeping up with the latest seminars and developments in child care.

Like yourself, I started both of my children's journey in education here at Sexsmith Preschool. 12 years ago, I fell in love with the community of Sexsmith and was inspired to further my education into Early Childhood Education. My first practicum was with Miss Jean here at Sexsmith, and now I am honoured to call this my teaching home. I look forward in working with all of you and building a lasting relationship for the years to come.

Favourites

My love of teaching has come from my love of being a mother. My favourite way to spend my time is by making memories with my family and friends. Together we enjoy eating at different restaurants, movies and getting together with other families and friends.
