# Welcome

I would like to take this opportunity to personally invite you to our 46th Annual Bull Sale, Tuesday April 4th at the ranch. The sale will begin at 1:00 pm with lunch and refreshments served throughout the day. The sale offering will be displayed in large pens at the sale site on sale day to allow for excellent viewing and appraisal. They are also available for viewing at the ranch anytime prior to the sale.

This sale features a tremendous offering of two-year-old bulls, yearling bulls, and registered and commercial open females. They offer exceptional quality both in phenotype and genotype. This is the most exciting offering we have assembled, featuring large sire groups of half brothers from some of the very best herd sires the breed has to offer. Once again, we are offering a select group of older bulls and they are exceptional. The registered heifer offering is an unprecedented opportunity featuring individuals selected from the very top of the replacement pen. The commercial heifers are as good of a group as you will find. And the bulk of the sale is the yearling bulls, and they are loaded with quality, performance, and breed leading EPD's from top to bottom. As always, they are all fully guaranteed.

The cowherd that produces this offering annually is the backbone of our operation. They are a group of mother cows who work daily for us. From foraging through deep snow to grazing short dry grass during the dog days of summer they continually get the job done. These females represent generations of breeding for adaptability to our environment and they continually do more with less. It is a group of cows that we take tremendous pride in.

It is also very exciting for me to witness the next generation take such great interest in the operation and I would like to personally thank them for all that they do throughout the year for Vollmer Angus. Their continual involvement brings excitement, enthusiasm, and great knowledge to the operation.

At this time, I would like to personally thank you for your support of our program. It is something we take great pride in. Rest assured that daily we are working on improving our product. I want these cattle to improve the profitability of every operation that utilizes our genetics. High quality low maintenance cattle that will work for you in real world environments.

*Thanks again for all your support over the years and we hope to see you sale day!*

*Troy Vollmer*

## VIDEO AUCTION!

This will be a video sale with no animals entering the ring. All the sale cattle will be available for live viewing prior to the sale. Videos will also be available online at [vollmerangus.com](http://vollmerangus.com) or [dvauction.com](http://dvauction.com)

**A complimentary lunch will be served.**

**TRUCKING** - Load up your bulls via our drive thru load-out on sale day, or within one week of the sale and receive \$100 for each bull purchased. If you pick up your bulls at the ranch before May 1st we will offer a \$50 discount per bull. Or, leave your trailer at home and we'll deliver up to 500 miles at no cost to you. We just ask that for bulls purchased outside of ND that you would please be willing to travel to central drop points to make delivery feasible and avoid cattle being in transit for too long a time period.

**BREEDING GUARANTEE:** All bulls guaranteed against injury throughout the first breeding season. If a suitable replacement bull is not available when needed, credit will be issued for next year's sale.

**SIGHT UNSEEN PURCHASE GUARANTEE:** We guarantee the bulls will be as described and to your liking, or you don't own them.

Vollmer Angus is reserving a 1/3 revenue sharing semen interest in all bulls.

**VOLUME DISCOUNTS:** Volume Discounts will be offered starting at 3 Bulls - 3% and increasing 1% for each additional bull up to 10 bulls - 10% maximum discount.

Galactic was the featured Lot 1 bull of the 2020 Spring Sitz Angus bull sale. He was our pick due to his outlier performance profile and top of the breed foot score EPD's. He has matured into of the most impressive herd bulls I have had the opportunity to be around. Galactic is a long bodied, massive, easy fleshing bull with a great look and great feet. He covers the breeding pasture with unmatched athleticism. The bull hasn't taken a lame step in the three years he has been used here. His progeny possess all these same traits. The Galactic daughters calving here this spring are simply fantastic. Great udders, great dispositions, are excellent mothers raising excellent baby calves, and they are awesome footed cows. This summer High Plains Genetics from Iowa purchased an interest in Galactic and he is now leased to Breeder Link. Galactic is a bull that is gaining in popularity with each calf crop and will continue to play a huge role in our breeding program.

SIRE: SITZ STELLAR 726D

CALF PIC

## TWO-YEAR-OLDS Lots 1-15

This is an outstanding set of two-year old bulls that have not been offered for sale before this event. They were all used in the breeding pastures last summer in various different groups.

THE ACTUAL WEIGHT AND SCROTAL MEASUREMENT LISTED IN THE CATALOG WERE TAKEN ON 2/10/23.

# Lot 1

When we decided to start the sale with the 2s it was a no brainer who was going to get to wear the Lot 1 tag in his ear. There is a lot of good in this bull and it all starts with his feet. This bull is as good as any in terms of true power and dimension and still being cool and extended fronted while being as sound as they come. He's got enough guts for three head and carries it like a man. This bull from the ground up is the kind, that here at the VAR, we strive to make more of every year. Maternal foundation is also as good as it gets, stemming from 3 generations of pathfinder cows.

Done Deal has proven himself to be a breeding bull for the ages for our breeding program. This will mark the third year in row that his son's will be the highlight of the sale. They are an impressive sire group. But his daughters in production is what has truly cemented his legacy as one of the all-time great bulls in our program history. The cow power in his pedigree is coming through in his daughters, they are everything we want. Perfect udders, easy fleshing, docile, raise outstanding progeny and breed back in a very timely manner. Done Deal's dam has proven herself to be one of the great cows at Baldridge and his daughters are doing the same for our program. Few bulls in the breed can deliver the multi trait superiority that Done Deal does, producing the kind of cattle that we look to produce in volume.

This Galactic calf is about as well balanced as they come. A long bodied, smooth and sound bull will put pounds on calves in a hurry. His Traction dam produced the Lot 1 bull in the 2021 sale who sold to Alta Genetics. This bull also stems from 3 generations of pathfinder cows.

Lot 4 is the kind of bull that is easy to like in a lot of places, from his huge rib cage to his foot and bone. This calf walks super good and carries raw power when he does. He was the heaviest weaning of the whole 2yr old offering. His Raindance momma is one of the better ones on the place and has a progeny weaning ratio of 113!

This is the third set of sons of Eager that we will have sold and I believe this is his best group yet. They are headlined by an outstanding group of flush brothers. The Eager's are moderate, stout, deep, super correct and have excellent maternal characteristics. Eager's dam is one of the very top females to ever surface out of the Baldrige program and she was a feature and high seller as an aged donor of their female sale this past summer. Our Eager daughters are truly herd treasures. They are some of the best young cows we have ever had. Perfect udder design, abundant milk, easy fleshing and fertile. All of our Eager two year old's bred back, with many of them coming with AI calves again in 2022. As you look through this offering you will find several of the top bulls being from Eager daughters. Eager is also a flush brother to one of the breeds top AI sires, Baldrige Alternative. Time has proven Eager to be a big contributor to our operation.

Lot 7 is one of only two Eagers in the entire offering. This bull is the coolest fronted and longest necked bull here. He is big ribbed and super sound. He is out of the 805 cow who has 2 other bulls in the sale and has been a standout since birth. She was the 2019 NDSF Champion Angus heifer. This mating worked and will continue to. If only there were enough words to describe the job these Eagers daughters are doing for us.

PIONEER IN RANGE IMPROVEMENT

When I look at lot 11 the one word that comes to mind is COMPLETE. If you can pick a hole in this bull let me know. The 6403 dam is a cow that has been producing for a long time, she carries the Lass name and has lived up to it.

*Can we help market your calves?*  
**Yes.**

We want to be able to help you capture the most value for your calves.

But what works for one operation may not be the best fit for yours.

We can help you navigate all the available options to maximize your profitability.

We are dedicated to raising the kind of bulls that can help you succeed at the scale or at the rail while keeping your cow herd functional and efficient.

*Continually striving for efficiency and excellence in all traits.*

Footnotes

FULL BROTHER TO LOT 1!! This calf is a true standout and has been since birth. He's a stud. There's not a whole lot more to say. A long fronted, big bodied Galactic that is super sound and just like his brother, he carry's it all on an awesome build of feet and legs. Dam is without question one of our best. On 6 calves she has a 108 weaning ratio, 94 birth ratio, all with a 369 day calving interval.

## YEARLING BULLS Lots 16-120

This is the most powerful and consistent group we have offered for sale, representing the top 50% of our 2022 bull calf crop.

Galactic x Eager. A mating that you'll see a lot of in this offering. This one to start is absolutely unique in his build and is very well balanced. He's stout and big ribbed and a number profile that is hard to make. Truly one of the most unique herd sires to be produced at VAR, from a young dam that is easily on of the best to ever reside at VAR.

One of the truly special herd bulls to sell in this sale. This calving ease bull is packed with power, super complete, and comes from one of the really great young cows on the ranch. She is deep, easy fleshing, great uddered and has calved in the first few days of calving three years in a row. She has posted a 108 nursing ratio, she is definitely off to a great start in her production career.

The \$C leader of the offering, possessing a very impressive \$C of 347! We calved a full sister to him this spring who is fantastic. She is deep bodied, easy fleshing, with abundant milk and a great udder. This bull could be a real herd improver, from calving ease to growth, maternal and carcass – he will make a difference.

progeny all across the country. He has an excellent number profile, proving to be a consistent producer of multi trait superiority. Resilient covers all the bases of beef production as well as any in the breed. Our Resilient daughters are showing all the signs of being productive brood cows for many years on our ranch. They are good uddered, easy fleshing and have outstanding foot quality. We have an excellent group of Resilient bulls for this year's sale.

Whitewater was the sensation of the 2021 spring bull sale season. He was one of the most sought-after individuals in the whole country and he seemed like an obvious choice to use in our AI program. He did not disappoint as we have an outstanding sire group for this year's sale. These cattle are very well balanced, phenotypically, genomically, and an across the board excellent EPD package. They are very pleasing to evaluate phenotypically with their near ideal structural conformation. Whitewater also instills outstanding carcass genetics to all his offspring. He truly is a bull that excels in multi trait superiority, consistently producing the right kind.

Lot 22 is the leadoff Whitewater and is one that has been a standout since birth. He has been one of Troy's favorites for a very long time. He's a moderate framed stout bull with a number package that makes it hard not to like this bull. He covers all the bases in a calving ease type of package.

# Ranchsnaps

When your working crew is from Generation Z, their favorite form of communication is Snapchat, but could include Twitter, Instagram, Facebook and maybe a text.

This Resilient x Franchise is one that I've been a fan of for a long time. He's a long fronted, deep bodied, sound bull that's good footed and is a very eye-catching bull. He also possesses a great number package. Hard to find a bull that is built like this with numbers like this. Over a 1 marbling and over a 100 on his \$M, just to mention a couple highlights of his number package.

A powerful, big ribbed, sound and docile Whitewater that is a standout. This bull is one of the stoutest Whitewaters this year that still is sound and complete with the extra punch. His dam is one of the better cows on the ranch who has raised lots of good ones.

**Bulls with good dispositions • Bulls developed slowly**

**Bulls fully guaranteed**

## Lots 34-36

A trio of Resilient bull's that are very impressive. They all put length, power, muscle and soundness together in one package. All are out of some of the very best mother cows on the ranch who always raise the good ones. Breed leading growth and performance figures backed by mother cows who excel for udder quality and disposition. The Resilients are good this year and I mean good!

**Lot 35**

Truly a special pair from Whitewater's first calf crop. They are both large outlined bulls with lots of power and depth of body. Also they possess breed leading performance and carcass traits while being out of a pair of our best cows. A perfect example of the multi trait superiority we strive to produce.

## Lots 40-42

These three Done Deals carry a huge number spread and muscle package with a heavy foot and bone structure. They are great bulls who will positively impact all phases of beef production. They are multi trait superiority.

ANGUS 68

An extremely smooth fronted, long and deep bodied Galactic who is one that draws your attention from a stoutness aspect but when you watch him walk away he doesn't miss a beat. Out of a phenotypically superior cow who has as much milk as you would ever want a cow to have.

**Lot 44**

## Lots 44 & 45

A pair of Galactic x Eager sons that don't disappoint. Both born at 80 pounds and weaned at 845. They grow and look good doing it. Gonna want to keep these females!

Lot 50 is usually one of the best bulls in the sale that didn't get along with the AngusGS testing and like every other year we find ourselves with the same dilemma. There's a lot I can say about this bull. There isn't a time AJ comes to the Ranch that he doesn't talk about him. This bull is big, stout, good looking, awesome footed and walks like a cat. This might be one of the best Done Deals we've ever had and that's no small feat.

Arbitrator was the top selling bull of the 2020 sale selling to Rust Mountain View Ranch, Mercer ND. In his first calf crop he has proven himself to be an elite breeding bull, siring outstanding progeny for both Rust Mountain and Vollmer Angus. It is a small sire group for this sale, but they are very good. Highlighted by the outstanding donor cow prospect who sells as Lot 124 in this sale. There will be more progeny at both operations in the coming years as we are very excited about what he is producing. Arbitrator has developed into an extremely powerful mature bull who covers the pasture with an athletic prowess that is highly appreciated.

**Lots 52 & 53**

A pair of Arbitrators that are definitely living up to expectations. They are big middled and long fronted with a great set of feet and legs. This sire group is up and coming and what a way to start.

**DVAuction**  
Broadcasting Real-Time Auctions

**View the Auction Live! Bid Online...**  
**you're ringside right at your desk!**

Buying online is as easy as 1, 2, 3...

1. Create an account at [www.DVAuction.com](http://www.DVAuction.com) under the "Register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction — a DV representative will notify you once you have been approved.
3. Tune in for the sale to make your purchases!

**High Speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

**Proxy-bidding** — if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

For General Questions Please contact Our Office: 402-316-5460 or [support@dvauction.com](mailto:support@dvauction.com)

ANGUS 68  
Proven to be the best

Lots 110 and 111, a pair of Guarantee x DD that are out of first calf heifers. This mating is in the sale a few different times and there's a reason. Deep bodied and stout bulls that are going to be producers of efficient low maintenance cattle that work in all environments.

**Lots 112-116**

A very good run of Galactics that are very complete and are all heifer bulls. Smooth and long with eye appeal. The Galactics will produce performance and length.

Lots 119- 120 A pair of Resilient x Seedstocks that will help a cowherd in a lot of ways. Big ribbed, clean fronted and will produce lots of performance and maternal.

# HEIFERS

The female portion of the sale features a fancy set of open heifers that are all born and raised on Vollmer Angus Ranch. They have all been on the same health and nutrition program as our own replacements. It is a quality set of females that have generations of our breeding behind them. They should make outstanding brood cows.

## Lots 121-125

This year's sale offering includes some of the most exciting females we have ever offered from our program. We have selected from the very top of our replacements representing the different sire groups. These females are royally bred, have exceptional data, and are phenotypically pleasing. They are herd changers and have the look of being future donor cows. They excel in multi trait excellence and are an excellent representation of what we are striving to produce in volume.

We scaled the heifer offering down this year and they only got better. We start this set with a brood cow prospect. This heifer is super stout and yet still clean fronted. She is tall at the point of the shoulder and huge ribbed with awesome feet and legs. The Galactic heifers that are calving now are super good moms with super udders. They are also some of the best footed young cows we have seen in quite some time. This heifer is maternal on maternal with her good footed, great uddered Traction mom. When you go through this sale, some of the very best bulls go back to Traction on the bottom side. This female has unlimited potential.

This heifer was a show heifer for AJ last Fall and won her division wherever she went. She is huge ribbed, cool fronted, very sound and a sweetheart. She is only a May and still fits the bill. She is out of a young Outfit cow that is one of the better Outfits on the place. The Lass cow family runs deep all the way back to the original 0029 cow and for what she has done for this program it's hard not to keep them all.

ANGUS 68  
Presented by Angus Genetics

The very first Done Deal female to be offered at auction. This heifer is a very true representation of what DD can do for females. She is stout and sound like the bulls and very lady like in her front end. She stems from a great cow family and her mother is the best President daughter that we have. Her grandmother was also a great cow for us, producing VAR Arbitrator who is doing a great job as a breeding bull. This is one that will make an impact wherever she lands after April 4th.

ANGUS 68  
Presented by Angus Genetics

We round out the Registered heifer offering off with a Guarantee female that has a lot of cool features. Shes long bodied, wide topped, sound, bold ribbed and still walks like a cat. The Guarantee females have the right look and build to be great mother cows. Her dam is off to a great start and is nurisng another outstanding baby this spring. Shes one that has a number package that will do a lot of good for her offspring. This one is sure to make a great contribution.

## **COMMERCIAL HEIFERS** Lots 126-175

The following 50 female lots will be selling as open commercial heifer calves. They were all born and raised at Vollmer Angus and are all out of registered Angus sires and dams. We have sorted through our heifer calves numerous times to put together this outstanding group of females. They are an excellent group, stemming from our cow families that have been here for generations. They are sired by Vollmer Angus raised bulls. This group is strongly influenced by son's of Baldridge Eager. Eager is a tremendous cow maker, they are built right with awesome udder quality and can really raise a calf. This group should develop into an awesome group of brood cows. They have been developed just like our own replacements, are bangs vaccinated, have been under a complete mineral and nutrition program, and have had their spring breeding shots. I expect this group to average 900 pounds sale day.

They will be sorted according to quality with what I feel to be the best starting with lot 126. They will sell in lot order in groups of 5 or more.

Granny and the girls having a meeting during sorting day.

Clayton, CeeCee and Papa. You never know when you are going to end up holding a goat.

Teamwork makes the dreamwork. Always handy to have an offensive lineman around.

Haley and Bunny - Before & After

pictures. Haley is a junior at Kansas State where she is on the rodeo team. She enjoys the life of a snowbird, spending summers in ND and winters in KS.
