

Gays Against Groomers

February 26 · 🌐

🔔 ANNOUNCEMENT: We are SO EXCITED to let you know that we are launching our own radio show and podcast called 'The Dark Side of the Rainbow with Gays Against Groomers.' This is something we have been wanting to do for a long time, and are so thrilled that it's finally happening!

The real kicker is that the show will be on the Progressive Radio Network, which is going to give us a chance to reach a whole new audience of people who very likely have no idea how bad things really are or that they are even happening at all! It will be airing every Tuesday at 1 pm ET on prn.live starting TOMORROW and we will have it on all podcast platforms soon (we'll let you know when).

We have continuously stressed that the biggest hurdle we face in this fight is awareness, and with this new venture, we will be able to reach those who need to hear us the most!

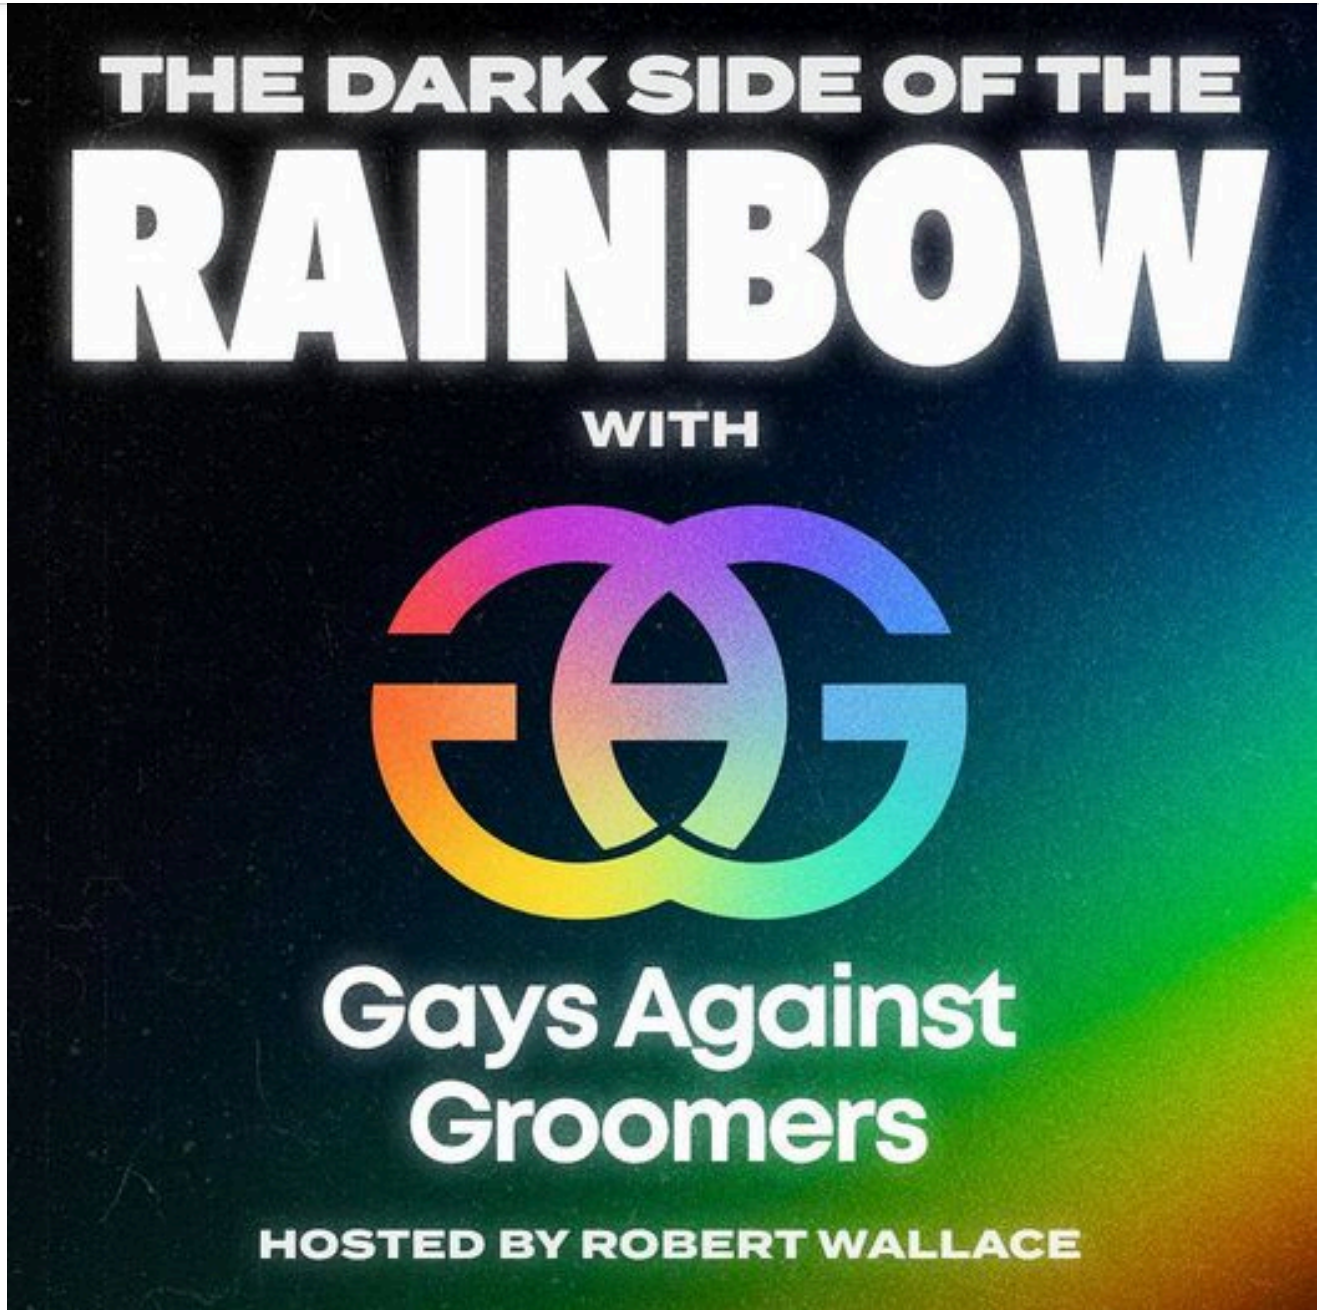

The show will be hosted by our @GAG_Arizona chapter leader Robert Wallace @dmtinme, who is going to do a fantastic job. We look forward to having many guests on in the future including members from our organization and outside allies who are fighting this war alongside us.
