Kimberley Jurens Woodwind Repairs Inc. knows that a player's needs can change quickly, especially in the first few years of playing. KJWR's specialized flute and piccolo rental program and purchase options are designed to support those changes.

At KJWR Inc., players work directly with Kim, a professional flute technician and player, who loves helping players and families learn more about brands, models, features, and how to care for and maintain their instruments.

To keep service fees down and keep prices accessible KJWR Inc. requests that whenever possible e-transfer is used for payments.

*Taxes not included in any listed prices. Prices and policies subject to change without notice. Rental rates are valid for 2026/27 only.
Rental instruments at all times are the legal property of KJWR Inc. and may not be lent, rented, pawned or sold by anyone other than KJWR Inc. at any time.*

REPAIRS AND PREVENTATIVE MAINTENANCE

In addition to any necessary repairs, complimentary annual COA, or "Clean, Oil & Adjust" are included with all rentals. COAs typically take 2 business days and make sure the instrument is always playing its best. COAs can be booked well in advance to ensure a time that works best for the player.

INSURANCE INFORMATION & INSTRUMENT CARE

Insurance (valued at \$1/month) is incorporated into the cost of all rentals. In the event of loss, theft or vandalism, a police report must be given to KJWR Inc. In the event of wilful damage or obvious neglect, KJWR Inc reserves the right to terminate the contract immediately without refund.

RETURNING RENTAL INSTRUMENTS

(without transitioning to a purchase)

Annual Rentals

If returned early the rental is recalculated at the monthly rate and if applicable a refund issued. Renewal invoices will be sent 3-5 days prior to the instrument renewal date. Instruments overdue by more than 5 days will automatically be charged for the next year.

Monthly Rentals

- Rentals returned prior to the minimum 3 month rental period will still be charged the full 3 months rental.
- Monthly Rentals returned more than 5 days into the next monthly payment cycle will be charged rent for that month.

If an instrument is returned early as part of an instrument purchase, all applicable paid rent transfers to the purchase.
