Kimberley Jurens Woodwind Repairs Inc. is committed to helping flute & piccolo players thrive!

The needs of new and aspiring piccolo players can change rapidly in the first few months and years of playing. Many new players are unsure how much, and in what situations they will play. Additionally finding a professionally set up piccolo to rent can be a challenge – which is why KJWR Inc started renting piccolos!

In addition to being a Professional Technician, Kim is a Flute and Piccolo Player (Playing a Miyazawa flute and a Burkart Professional piccolo) and loves helping players learn more about makes, models, features and how to care for and maintain their instruments.

To keep service fees down and keep prices accessible KJWR Inc. requests that whenever possible e-transfer is used for rental payments.

REPAIRS AND PREVENTATIVE MAINTENANCE

In addition to any necessary repairs, an annual COA, or "Clean, Oil & Adjust" appointment is included with all rentals. COAs take 2 days and can be scheduled for weekends and some holidays. COAs make sure the instrument is always playing its best and are a critical part of both player health and instrument care.

For wood piccolos (Burkart Resona) a seasonal weather shift "check in" is also extremely important. This is a quick "same day" check in to make sure that as the weather changes, the wood and mechanism on the piccolo are adapting well. If you are renting a Burkart Resona piccolo, you will receive an email reminder to set up a quick check in.

INSURANCE INFORMATION & INSTRUMENT CARE

Insurance (valued at \$1/month) is incorporated into the cost of all rentals. In the event of loss, theft or vandalism, a police report must be given to Kimberley Jurens Woodwind Repairs Inc. In the event of wilful damage or obvious neglect, KJWR Inc reserves the right to terminate the contract immediately without refund.

RETURNING RENTAL INSTRUMENTS (without transitioning to a purchase)

Annual Rentals

If returned early the rental is recalculated at the monthly rate and if applicable a refund issued. Renewal notifications will be sent via email 30 days prior to the renewal date. Instruments overdue by more than 5 days will automatically be charged for the next year.

Monthly Rentals

Rentals returned prior to the minimum 2 month rental period will be charged 2 months rental. Instruments returned within 7 days of the initial rental date will be charged 1 month's rent.

Monthly Rentals returned more than 5 days into the next month will be charged rent for that month.

If an instrument is returned early as part of an instrument purchase, all applicable paid rent transfers to the purchase.
