### PRINCIPAL'S REPORT

- Currently in the Master Schedule, Testing, and Senior Seasons on campus.
- Seniors will have a meeting on Wednesday (3/25) that will be going over the remaining events and graduation practices. Parents will be emailed this information as well.
- Enrollment is currently up to 1700 for next school year.
- Climate & Culture Parent Survey will be coming out soon. All information obtained from the survey is reviewed with applicable school teams to continue to improve the campus. Please take time to fill it out once you receive the email.
- Review of Absence Policy: 10+ Unexcused absences in a semester will result in the student needing to go through the appeals process to be able to maintain their currently earned grades.
- School funding is determined on enrollment attendance average for the first 100 days of school. If the student has been absent (excused AND unexcused) for 10% or more in those first 100 days the school does NOT receive funding.
- Many excused absences have unintended consequences resulting in increased stress for the student due to missing critical instruction time. Excused absence example is for family vacations.
- This November has Ballot Initiatives relating to the ESA Vouchers Funding/Empowerment Scholarship for Private School attendance. Please educate yourself on these initiatives.
