AA Responsibility Statement: I am responsible. When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that, I am responsible.

Serenity Prayer: God, grant us the serenity to accept the things we cannot change, courage to change the things we can, and wisdom to know the difference.

AA Resources to Support Group Discussion and Decisions

An Informed A.A. Group Conscience: The group conscience is the collective conscience of the group membership and thus represents substantial unanimity on an issue before definitive action is taken. This is achieved by the group members through the sharing of full information, individual points of view, and the practice of A.A. principles. To be fully informed requires a willingness to listen to minority opinions with an open mind. On sensitive issues, the group works slowly — discouraging formal motions until a clear sense of its collective view emerges. Placing principles before personalities, the membership is wary of dominant opinions. Its voice is heard when a well-informed group arrives at a decision. The result rests on more than a “yes” or “no” count — precisely because it is the spiritual expression of the group conscience. The term “informed group conscience” implies that pertinent information has been studied and all views have been heard before the group votes. Concept 12. The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible, substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government; that, like the Society it serves, it will always remain democratic in thought and action.
