

Hirsh[®] Education Solutions

Maximum Versatility

Today's schools require adaptable storage that supports many learning styles. Hirsh offers a wide range of steel desking and storage options for

classrooms and administrative offices. Attractive, versatile products keep everyone organized from students and teachers to administrative staff and custodial personnel.

Flexible Furniture

Schools need flexible furniture that can be configured and rearranged to meet evolving needs in the classroom and throughout the school building.

Multipurpose Storage

Hirsh metal storage solutions are built for high-volume, daily use. Classrooms, offices and storage rooms will benefit from our large assortment of multipurpose storage products.

Mobile Solutions

Classrooms need to easily transition between layouts that support a variety of learning methods. Many Hirsh products are designed with wheels for quick configuration changes.

Mobile Bin Units

MOBILE BIN UNITS

Pull-out bins allow students to transport tools to their workspace. This mobile storage unit is ideal for makerspaces, classrooms and offices.

FILE CABINETS

Organize documents and supplies with the help of Hirsh file cabinets. Mobile pedestal files keep everything within easy reach while vertical and lateral files provide ample storage space to keep paper clutter at bay. The large drawers of lateral files are excellent for storing binders, school supplies and classroom equipment.

AN ORGANIZED CLASSROOM BEGINS WITH HIRSH®

Smart Storage

Bookcases and open shelving organize learning materials while keeping them within easy reach.

Space To Collaborate

Foster a collaborative learning environment by grouping open desks into clusters.

ENDLESS STORAGE POSSIBILITIES

From classrooms and makerspaces to storage rooms and staff offices, versatile desking and storage solutions are important in every area of a school. Design a space with plenty of storage to keep equipment and supplies neat and organized using Hirsh commercial-grade products engineered to withstand heavy daily use.

Tidy Work Stations

Store supplies within easy reach by positioning mobile cabinets with pull-out bins next to each desk. Categorize supplies into labeled bins or assign each student their own bin for storing their projects.

Secure Storage

Maximize an empty corner with the addition of a storage cabinet. The locking door will secure electronics and fragile items when not in use.

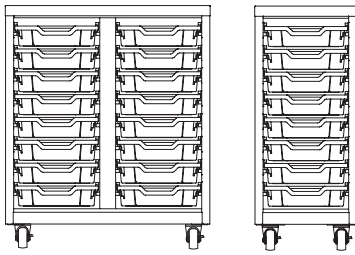

Mobility Is Key

Transport books and materials around the classroom and down the hall with ease thanks to mobile book carts and utility carts.

Desks Designed For Teachers

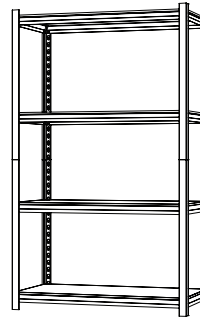

Add flexibility to the classroom with a mobile teacher's desk that is easy to roll around the room whenever it's time to reconfigure the space.
