---

## Core Competencies

- **Security & Risk Consulting** – risk assessments (facilities/campuses/critical infrastructure), physical security design (advisory), regulatory alignment.
- **Risk Monitoring & Threat Intelligence** – OSINT monitoring, insider-risk reviews, tailored threat reporting & escalation protocols.
- **Workplace Violence Prevention & Mitigation** – policy/program design, threat recognition training, active-threat preparedness.
- **Emergency Action & Business Continuity Planning** – EAP/BCP development, crisis management structures, drills & exercises.
- **Training & Development Solutions** – leadership/tabletop exercises, awareness programs, custom scenario training.
- **Regulatory Compliance & Standards Advisory** – OSHA/NFPA/state & local alignment integrated with security and life-safety programs.

## Differentiators

- **Vendor-neutral advisory**—solutions aligned to mission and risk, not products.
- **Multidisciplinary expertise**—military, law enforcement, investigations, and emergency response backgrounds.
- **Credentials**—includes **ASIS Certified Protection Professional (CPP)** among other life-safety and emergency management qualifications.
- **Practical, actionable delivery**—programs and plans that translate directly to operations, training, and drills.
- **Domestic & international reach**—supporting clients across the U.S. and abroad through embedded and project-based engagements.
